# **MESSAGE FROM THE DEAN OF THE COLLEGE**

For education to be valuable, it must be life changing. At Briercrest we work to create a culture of spiritual and intellectual transformation, where students have rich, faith-building encounters with Scripture that anchor their lives on a sturdy theological foundation.

We ensure students engage with the best ideas and thinkers by reading and reflecting upon the most critical texts in their field. We challenge them to seek the best ways to use their energy and gifts for service to the church and to their broader communities. We promote a Spirit-filled community life that seeks to love God and one another at the same time as students explore the deep questions of faith and human existence.

Briercrest has a long history of producing remarkable disciples who live for Christ in family life, in ministry, and in their careers. It is the whole Briercrest experience of learning, fellowship, and worship that produces resilient people who venture into the world with full hearts and active minds ready to tackle the challenges of their generation.

Don Taylor, DTh Provost and Dean of the College Briercrest College and Seminary

# **MISSION STATEMENT**

Briercrest College and Seminary is a community of learning that calls students to seek the kingdom of God, to be shaped profoundly by the Scriptures, and to be formed spiritually and intellectually for lives of service.

# **GENERAL INFORMATION**

## **Our History**

The prayers of faithful men and women in the village of Briercrest, Saskatchewan, and God's faithfulness in responding to their petitions led to the opening of the college on October 19, 1935. The purchase of the 160-acre Caron Airport (a former Royal Air Force base) in 1946 provided the college with a number of buildings and ample room for expansion. Caronport High School and Caronport Elementary School opened that same year. Only a few of the original buildings remain; the rest have been replaced by new facilities. A distance learning program began in the college in 1979, and our seminary opened its doors in 1983. In 2003, a leadership training program called Kaléo began at Camp Qwanoes on Vancouver Island. Briercrest began with 11 students in 1935 and it now has over 20,000 alumni serving God in more than 80 countries around the world.

# **Our Beliefs**

We regard the doctrines to follow as essential to the understanding and proclamation of the Gospel and to Christian life and practice. We believe in the following:

- the Holy Scriptures as originally given by God, divinely inspired, infallible, entirely trustworthy, and the supreme authority in all matters of faith and conduct
- one God, eternally existent in three persons: Father, Son, and Holy Spirit
- our Lord Jesus Christ, God manifest in the flesh, his virgin birth, his sinless human life, his divine miracles, his vicarious and atoning death, his bodily resurrection, his ascension, his mediatorial work, and his personal return in power and glory
- the salvation of lost and sinful humanity possible only through the merits of the shed blood of the Lord Jesus Christ received by faith apart from works, and as characterized by regeneration by the Holy Spirit
- the Holy Spirit, by whose indwelling the believer is enabled to live a holy life, to witness and work for the Lord Jesus Christ
- the unity of the Spirit of all true believers, the church, the body of Christ
- the resurrection of both the saved and the lost; they that are saved unto the resurrection of life, they that are lost unto the resurrection of damnation

# **Accreditation Information**

Briercrest College and Seminary was established by Private Act enacted by the Saskatchewan Legislature in 1939 to award certificates, diplomas, and degrees at the post-secondary level.

Briercrest College and Seminary is accredited by the Association for Biblical Higher Education (formerly the Accrediting Association of Bible Colleges). It received its accreditation in 1975.

The Association for Biblical Higher Education is recognized as a national accrediting agency by the Council for Higher Education Accreditation and is listed by the United States Department of Education as a recognized agency for biblical higher education. The Association's member institutions are recognized by the Department of Justice, the Veteran's Administration, and other relevant federal agencies in the United States. There is no federal (national) department for education in Canada that is equivalent to the USDE. The ABHE is also recognized by the International Council for Evangelical Theological Education, the theological education affiliate of the World Evangelical Alliance, which is a global community sponsored by eight continental/regional associations of theological schools. For more information on the ABHE, visit their <u>website</u>.

Briercrest College and Seminary received <u>authorization</u> to provide a Bachelor of Arts in Humanities effective July 2013, Bachelor of Arts in English and English (Honours) effective July 2015, Bachelor of Arts in History and History (Honours) effective July 2016, Bachelor of Arts in Psychology effective July 2019, Bachelor of Arts Biblical Studies effective July 2021, Bachelor of Arts Business Administration effective July 2021, and Bachelor of General Studies effective July 2021. Authorization was provided through The Degree Authorization Act and The Degree Authorization Regulations, which came into force in the fall of 2012. The Saskatchewan Higher Education Quality Assurance Board reviews all applications for degree granting authority before they are approved.

# **Affiliation Information**

Briercrest College and Seminary is an affiliated college of the University of Saskatchewan. This affiliation includes transfer of credit as well as membership in the university senate and university council (the academic decision-making bodies of the university). Briercrest College and Seminary is also an affiliate member of the Council of Christian Colleges and Universities.

# ACADEMIC INFORMATION

# **Admissions Requirements**

Applicants wishing to be accepted to Briercrest College as a full or part-time student must:

- Have earned a high school diploma with a minimum average of 65 per cent in five approved courses which must include at least one academic English course (with a grade of at least 60 per cent).
- Be a professing and practicing Christian.
- Commit to live by the standards set out by Briercrest College and Seminary.
- Complete and submit all portions of the <u>College Application Portfolio</u>.

In cases where a student applies to Briercrest College and does not meet the academic admissions requirements, the Admissions Office reserves the right to offer a conditional acceptance. Briercrest also reserves the right to refuse admission even when the stated requirements for entrance have been satisfied, upon the recommendation of the Admissions Committee.

### **Early Admission**

Any current high school student who is enrolled in or has completed grade 11 may apply for early admission. Students must have a minimum 75 per cent average in five approved grade 11 courses which must include at least one academic English course with a grade of at least 65 per cent to be considered for early admission. The student must register for all remaining core requirements for grade 12 graduation. The student must register in any (if applicable) pre-requisite courses for the program of their choice at Briercrest.

### **Home Based Students**

Students who have been home schooled are eligible for admission with regular student status. Once all <u>standard admissions materials</u> have been submitted, the Admissions Office will evaluate applications to Briercrest according to the <u>general admissions policy</u>.

There are two ways for home schooled students to demonstrate their academic readiness...

- 1. **Graduating with a provincial diploma:** If a student's grade 12 studies are officially registered with their province's Ministry of Education, the Admissions Office will need to receive an official transcript from the province. Admission to Briercrest College will be based on completion of at least three university-preparatory grade 12 courses (including one academic English course with a grade of at least 60 percent) with a minimum average of 65 percent.
- 2. **Graduating without a provincial diploma:** Home schooled students not registered with their province or state will be considered for admission on the basis of one or more of the following assessment tools:
  - Independent third party examinations, such as...
    - o SAT with a minimum score of 1150; or
    - ACT with a minimum average of 22
  - A portfolio which includes...
    - a complete list of high school subjects completed, with grades (independent 3<sup>rd</sup> party statement of grades preferred)
    - academic writing samples
    - o a résumé demonstrating work and volunteer experience

o an educational reference

Acknowledging that each student's educational experience is unique, we take the evaluation process seriously because we want to see each student succeed at the postsecondary level. The Admissions Office may ask for more information in order to make an admission decision and may offer acceptance with conditions (see "Conditional Acceptance" below) until academic readiness can be achieved.

#### **Transfer Students**

Students applying to Briercrest College after they've attempted 24 or more credit hours of approved post-secondary education are considered Transfer Students. Transfer Students must submit all <u>standard admissions materials</u> to the Admissions Office, and also must ensure that official transcripts are forwarded to Briercrest from all previously attended post-secondary institutions. Transfer Students will be admitted to Briercrest if they earned at least a 2.0 cumulative Grade Point Average in their accredited post-secondary studies, and if they meet the other non-academic requirements of the general admissions policy.

The Transfer Student's previous post-secondary transcripts will be evaluated by Academic Services, following the <u>Credit Transfer and Prior Learning Policy</u>, to determine how previous coursework will apply to the student's chosen Briercrest program. Transfer Students will be considered from: Universities, Accredited Christian post-secondary institutions, Colleges of Applied Arts and Technology, Unaccredited Christian post-secondary schools (including YWAM and Capernwray programs).

Applicants who have attempted less than 24 credit hours are eligible to transfer in credits but will be considered a new student. Entrance for these applicants will be based on high school academic requirements.

Applicants who fail to meet the Transfer Student minimum GPA requirement (see above) may be considered for Conditional Acceptance.

### **Re-Entry Students**

Students who take a semester or more off from studies at Briercrest are re-entry students. Students who have been away for less than one year plus one semester should contact Academic Services. Reentry students who have been away from studies for one year plus one semester are required to reapply to the college and will be required to join the most recent version of their program.

### **Mature Students**

Mature applicants who do not meet the academic requirements of Briercrest College's <u>General</u> <u>Admission Policy</u> may still be eligible to study at Briercrest. To be considered for Mature Admission you must meet the following criteria:

- You must be 23 years of age by the first day of classes.
- You must be entering the first year of study. Applicants who have completed 24 or more transfer-eligible postsecondary credit hours are not eligible to apply for Mature Admission.
- International students will not be eligible for Mature Admission.

If it is determined that you are a suitable candidate for Mature Admission according to the above criteria, then you will need to submit <u>all standard admission materials</u> to the Admissions Office. In addition, the Admissions Office will ask for the following information which will help us evaluate your readiness for studying at Briercrest College:

- Proof of Age: A copy of your driver's license, transcript document, or birth certificate.
- A written request for Mature Admission: This is a statement that explains your interest in Briercrest College (reason for choosing us), education and career goals, and overall desire to return to school. You will need to speak to your ability to undertake university-level study and let us know whatever else you think might be relevant to your request for Mature Admission.
- Current Resume: This will help us understand what you have been up to since high school and how you have become the person you are today.
- Proof of Other Credentials (if applicable): Copies of supporting documents\* covering any noncredit programs you might have completed (job-related courses, Adult Basic Education, General Equivalency Diploma) should be included with your written submission.

### **International Students**

Students whose citizenship is outside of North America must apply as International Students. International Students must submit all <u>standard admissions materials</u> to the Admissions Office, and must pay the international student application fee.

International Students will be admitted to Briercrest if they have achieved secondary level standing, if they have completed the courses listed in the <u>general admissions policy</u>, and if their high school grades (once converted to correspond with Canadian grading systems) meet the GPA requirements of the <u>general admissions policy</u>.

In addition, since the primary language of instruction at Briercrest College and Seminary is English, all International Student applicants must demonstrate an appropriate level of proficiency in the English language through one of the following test scores...

- IELTS 6.5 scoring a minimum of 6 in each category (reading, listening, speaking, writing)
- TOEFL 83 scoring a minimum of 19 in each category (reading, listening, speaking, writing)
- CAEL 60 minimum score
- MELAB 85 minimum score

Exemptions to the English proficiency test requirement:

- 1. Completion of North American high school studies in English
  - 3 years (grades 10, 11, and 12) with ELA A30 and B30 (minimum grade of 65%)
  - 2.5 years (grades 11 and 12) with English (minimum grade of 70%)
  - 2 years (grades 11 and 12) with English (minimum grade of 80%)
- 2. Completion of international secondary studies in English. Acceptable English Language curricula include...
  - Advanced Placement (AP) English 4 or better
  - International Baccalaureate (IB) English A1 or A2 Higher Level 5 or better
  - International Baccalaureate (IB) English B Higher Level 5 or better
  - GCSE/IGSCE/GCE O-level English, English Language, or English as a Second Language B or better
  - GCE A/AS/AICE Level English or English Language B or better
- 3. Post-Secondary Educational Credentials for English Proficiency: Successful completion of at least 24 credit hours in an approved English-language post-secondary institution, including at

least 6 credit hours in humanities or social science subjects and with a minimum GPA of 60% or equivalent is considered acceptable demonstration of proficiency in English.

4. It is widely recognized among Canadian postsecondary institutions that international applicants from certain countries have received sufficient instruction in English in their countries or origin. Applicants from these countries will typically not be required to provide an English proficiency test result. A list of these countries will be maintained by the Admissions Office and will be published on Briercrest's website. However, Briercrest reserves the right to require English proficiency test results from international applicants of these countries, if the Admissions Office sees insufficient evidence of English proficiency.

#### Application Deadlines for International Students

For September enrolment, applications must be received by March 15 (For US students, July 1). For January enrolment, applications must be received by August 15 (For US students, Nov 1). Applications received after these dates will be reviewed but start date will be determined by study permit application timelines.

### Foreign Verification Policy

Briercrest may require that the academic records of applicants who have completed post-secondary education outside of Canada and/or the United States be assessed for Canadian equivalency. This would include a course-by-course or comprehensive assessment.

### Financial Requirements (not application for U.S. students)

International students requiring a study permit to attend Briercrest College and Seminary will be considered for admission only if they can meet the requirements of a financial guarantee for themselves and all dependents that will be accompanying them to Canada. This will be done by depositing sufficient funds to cover tuition, living expenses, and other school fees for the student and family for the first year of studies in the applicant's Briercrest College and Seminary student account. This information is required for the study permit application.

NOTE: These amounts will be held on deposit at the college until they are needed for their intended purpose. Payment should be made in Canadian funds and is payable only by wire transfer, certified cheque, MasterCard, or VISA.

#### **International Students – USA**

Students whose citizenship is in the United States of America must submit all <u>standard admissions</u> <u>materials</u> to the Admissions Office. American Students will be admitted to Briercrest if they have earned a high school diploma, completed the courses listed in the <u>general admissions policy</u>, and met the GPA requirements of the <u>general admissions policy</u>.

In addition, American Students must submit their SAT Reasoning or ACT scores to the Admissions Office:

- SAT minimum required score: 1150
  - o <u>www.collegeboard.org</u>
  - SAT scores must be mailed to the Briercrest Admissions Office at: 510 College Drive, Caronport, SK, S0H 0S0 Canada

- ACT minimum required score: 22
  - o <u>www.act.org</u>
  - o Briercrest school code for ACT is 5206

### **Conditional Acceptance**

In cases where an applicant does not meet admissions requirements, Briercrest College reserves the right to offer conditional admission and may revoke admission if conditions are not fulfilled by the applicant.

Should an applicant be offered conditional acceptance, the following conditions will apply:

- Students will be able to register for a maximum of 12 credit hours in their first two (2) semesters at Briercrest.
- Students will be required to register for ACAD 100 Academic Strategies and Communication in their first semester.
- Students must meet with the Director of Student Success to set up a Student Success Plan that will prescribe the academic supports which will guide them through their first semester. The Student Success Plan will likely include a requirement to meet with an academic coach on a weekly basis for the academic semester. Their academic coach will be an employee of the Academic Resource Centre and will help the student to prepare for college academics. The student can expect that, at the beginning of the term, a fee will be placed on their student account to cover the cost of this academic coaching program.
- Students will not be eligible to receive any financial awards from Briercrest College in their first semester.
- By the end of the academic year, the student's goal is to reach a cumulative grade point average (GPA) that is above the AP status and RTD status levels listed in Academic Probation and Required to Discontinue policy.

Briercrest College and Seminary reserves the right to refuse admission even when the applicant has met the stated entrance requirements.

### Low High School Average

When an applicant's high school average – calculated according to the College Admissions Requirements policy – is below 70%, then, if the applicant is accepted, they will be required to attempt ACAD 100 Academic Strategies and Communication during their first semester of study at Briercrest College (or as soon as possible, if ACAD 100 is not offered during the student's first semester). The student may appeal this requirement through the Academic Review and Appeal Process.

### **Academic Information**

We believe that classroom experience is the foundation of education at our college. We are dedicated to providing an education that is excellent in quality, balanced in scope, and spiritual in focus. We've provided the following information to help students make the most of their academics at Briercrest College and Seminary.

### **Academic Advising**

The college provides students with academic advising (information regarding their program of study). This service is coordinated between Program Coordinator and the Academic Services office. We encourage students to make an appointment with a Program Coordinator each academic year to plan their courses to make good progress toward completing a program of study. Students who are interested in declaring a program or discussing program options are invited to contact the Academic Services office. The list of <u>Program Coordinators</u> for each respective program is available on our website.

### **Online Education**

Briercrest College and Seminary provides online courses to give students the flexibility to pursue their education through numerous formats. Currently, Briercrest offers an Associate of Arts Christian Studies, a Bible Certificate, and individual courses through online education that students can use toward programs at Briercrest College and Seminary.

### **Key Dates and Deadlines**

Each year, Briercrest College and Seminary produces a document highlighting the important key dates and deadlines for each semester.

#### **The Seminary**

Our seminary prepares leaders to serve the church by offering a Master of Christian Ministries, Master of Counselling, Master of Youth Ministry, and numerous Master of Arts and Master of Divinity degrees in a variety of ministry-related fields. The seminary provides a unique opportunity to earn a graduate degree in modular format (typically one course in one week). The format is accessible and flexible, opening the doors to education for a wide spectrum of students, including those already engaged in full-time work and ministry. Our students learn from resident and visiting faculty members who bring the fresh reality of current ministry involvement to the classroom. Briercrest's seminary is accredited by the Association of Theological Schools. Visit <u>Seminary</u> for details.

#### **Student Development**

In addition to Briercrest's high academic standards, there is also great priority placed on what happens outside the classroom in our learning community. Student Development seeks to serve BCS students by providing a caring atmosphere and healthy activities with the goal of Life Transformation in Community. Integral to this goal are the student responsibilities and expectations that have been put in place to ensure that all students enjoy a safe and healthy environment for learning and growing. For further details, please see Student Development's <u>important documents</u>.

# The Academic Resource Centre

The Academic Resource Centre at Briercrest College and Seminary provides personalized guidance and support to help all students enter into and fully participate in the Briercrest community of learning. We work in collaboration with other departments to equip and empower students to work toward their academic, vocational, ministry, and life goals through diverse learning opportunities.

The Academic Resource Centre offers a variety of academic support options:

• Drop-in hours at the Academic Resource Centre

Any student is welcome to come by with questions about organization and time management, study skills, or the writing process. Please note that while we will work with students on their writing, the Academic Resource Centre is not a proofreading service.

- One-on-One and small group support Appointments with peer academic coaches/tutors can be booked through the Academic Resource Centre. Please check with the Academic Resource Centre to see what options are available. Options may include:
  - Academic coaching—focusing on developing student skills such as time management, note-taking strategies, reading strategies, test taking skills, etc.
  - Writing support
  - Course specific tutoring
- Workshops and Seminars

Workshops or seminars may be offered in a given semester and cover topics such as research paper writing, citation guidelines, study tips, academic anxiety, motivation, etc.

The Academic Resource Centre also provides academic support for students with disabilities as defined by the Saskatchewan Human Rights Code (i.e., learning disabilities, physical disabilities, mental health disorders, etc.). These disabilities may be permanent or temporary in nature.

- Academic accommodations may be provided for students who have short-term or permanent learning, physical, or mental health impairments.
- Academic accommodations are based on recent and relevant documentation from a qualified practitioner (i.e., medical doctor, psychologist, counselor, etc.). Documentation must contain specific support recommendations.
- Academic accommodations must not interfere with the essential elements of a course or cause undue hardship for faculty, other students, or Briercrest as a whole.

### **Transfer Information**

#### **Credit Transfer within Saskatchewan**

We encourage students who wish to find out which courses or programs are transferable to visit the online transfer equivalency pages at provincially recognized colleges, universities, and technical schools.

#### **University Transferable Courses**

Briercrest College and Seminary offers many courses that are transferable to other colleges and universities. Each individual institution decides which Briercrest courses will transfer into a student's program of study based on the requirements of the degree program the student is entering. It is advisable to consult with the school you are applying to regarding transfer credits. The University of Saskatchewan, University of Regina, Trinity Western University, and University of Waterloo offer a large amount of transfer credit for courses taken at Briercrest. Other universities consider Briercrest credits for transfer on a case-by-case basis according to their own policies.

#### **Transferring Credits to Briercrest**

Briercrest College and Seminary considers transfer credit from all accredited post-secondary institutions. Transfer credit from non-accredited institutions is considered case-by-case according to our assessment of the institution.

Applicants from a Quebec CEGEP must complete a minimum of 12 courses (excluding physical education) to be eligible for admission. CEGEP students who would like to have courses considered for transfer credit must submit official transcripts and an institutional calendar that includes descriptions of the courses taken. Transfer credit will be considered up to a maximum of 30 credit hours for either two or three-year programs. No transfer credit will be considered for students who complete only one year of CEGEP or the minimum 12 courses required for admission.

For students entering the BA Sacred Music or BA Worship Arts programs, the application of ensemble or private music lesson transfer credits will be considered on a case-by-case basis. The need for further ensembles and/or private lessons will be dependent on a student's audition upon entry to Briercrest College.

#### How can I get my transcripts evaluated?

Have your previous institution(s) mail us official copies of your final transcripts. Faxes or photocopies are adequate for an unofficial transfer analysis to be completed, but no transfer credit will be awarded until an official copy of your final transcripts is received by our Admissions office. You may be asked to submit course descriptions or syllabi for the courses you wish to have considered (you can find these in the institution's catalogue/calendar or in some cases on their website). If you have attended more than one post-secondary institution, you should forward transcripts from each one. The results of your transfer analysis will be made known to you approximately one week after we receive this information. Visit the <u>Credit Transfer</u> webpage for more information. Internship credit is evaluated on the same basis as academic transfer when the information appears on an academic transcript.

#### **Prior Learning Assessment and Recognition**

The Recognition of Prior Learning is a broad "umbrella" concept that includes recognition practices undertaken in the fields of prior learning assessment and recognition, credit transfer, and qualification recognition. Mature students (age 23 and up) who request academic credit for life experience should enrol in the Prior Learning and Ministry Assessment. Credit applied for through the PLAR course is evaluated by the Learning and Ministry Assessment Committee, which may include the Director of Online Education, Dean of the College or Seminary or designate, the registrar, the course coordinator, and (if necessary) faculty members who are experts in the area for which credit has been requested. For additional information, visit the <u>Credit Transfer</u> webpage.

# **ACADEMIC POLICIES**

#### Subject to Change Statement

Briercrest College and Seminary (BCS) reserves the right to change any of the policies of BCS at any time, including those relating to admission, instruction, and graduation. The right to withdraw curricula, specific courses, alter course content, change the calendar, and to add or increase fees is similarly reserved. All such changes are effective at such time as the proper authorities determine and may apply not only to prospective student but also to those currently enrolled at BCS.

### **Academic Freedom Statement**

Briercrest College and Seminary believes that academic freedom is an essential tenet of a university community and vital to a democratic society. Students, faculty and institutional leaders enjoy the privileges and responsibilities afforded by academic freedom, including the freedom to engage in research and creative work, to examine and to question, to publish and to lecture, and to offer critique of the academy and society, all free from external interference. Briercrest College and Seminary fosters a culture of rigorous debate and analysis of complex issues within an intellectual climate of mutual respect and trust. Community members must be guided by the highest ethical standards, by a commitment to integrity in scholarship and teaching, and by a responsibility to the professional standards of their academic discipline.

Academic freedom is not absolute and always exists in a historical and cultural context. As a confessional institution rooted within an evangelical Protestant tradition, Briercrest College and Seminary fosters open and critical inquiry within the context of a distinctly Christian community of scholars.

### Academic Integrity and Honesty

Briercrest College is a learning community that takes seriously the church's mission to embody Jesus Christ in a broken world. With particular attention to Jesus's identity as the Word of God (John 1:1, 1:14) and as "the Way and the Truth and the Life" (John 14:6), we strive to "care for words" in all areas of our community's life, and thus to maintain the highest standards of academic integrity across the disciplines. All members of the Briercrest community should endeavor to use language in conscientious, carefully considered ways and should also represent their work honestly when completing academic assignments or when creating other forms of written and nonwritten media. Students who engage in academic dishonesty violate the trust placed in them by their instructors, fellow students, and the college.

### **Principles of Academic Honesty**

- 1. All assignments, oral presentations, tests and exams submitted by students must be their own work.
- 2. Ideas, concepts and wording drawn from other sources or tools must be properly documented. This includes work that the student has simultaneously or previously submitted as coursework for other classes as well as content produced by generative AI tools.
- 3. Students are responsible for respecting and following expectations regarding the accepted degree of collaboration and copy-editing assistance from other people or from generative AI tools, as laid out in assignment and exam instructions, on the course syllabus, and in the Briercrest Format Guide.
- 4. Learning progress is measured by course assignments and examinations, and thus, standards of academic achievement cannot be recognized when cheating occurs.
- 5. Cheating, plagiarism or any form of dishonesty is unacceptable.
- 6. Cheating in any form devalues the credentials of the college and is detrimental to all students.

### **Examples of Academic Dishonesty**

- 1. Plagiarism: submission of the work of others, published or unpublished, in whole or in part without acknowledgment or proper documentation.
- 2. Unauthorized or undocumented use of generative Artificial Intelligence (AI) tools on assignments, tests and exams.
  - a. Generative AI is an umbrella term for a type of machine learning and a group of algorithms that can create new content, such as text, code, images, videos, music, or a combination of all these formats. Generative AI produces output in response to a query or prompt using generative models such as Large Language Models (LLMs) that rely on large datasets. The generated responses of these tools are probabilistic, which can result in errors and biases in responses. Different tools are trained on different datasets and with different training methods. Some well-known examples of generative AI tools are text generators, known as chatbots, such as ChatGPT, Bing Chat Enterprise, and Google Gemini, and image generators such as DALL-E and Midjourney. Generative AI features are often embedded within tools such as Grammarly, allowing these tools to generate new content, such as the rewriting, paraphrasing, or summarizing of existing text. This list of generative AI tools is very small many other tools have incorporated generative AI capabilities.
  - b. The use of generative AI to create audio or visual media, to produce outlines, to generate partial or complete drafts of assignments, to answer questions or quizzes or exams, or to edit the grammar of assignment drafts is considered unauthorized unless it is explicitly permitted by the course instructor in writing.
  - c. All use of generative AI tools must be properly documented.
  - d. If in doubt, it is the student's responsibility to clarify before assignments are submitted which uses of generative AI are permitted and which are prohibited.
- 3. Cheating on examinations by the use of crib notes, unauthorized retrieval of information previously stored in a computer, copying from another paper either before or during the exam or by any other means.

- 4. Theft of examination papers.
- 5. Deliberately allowing another student to copy one's work.
- 6. Buying or using a term paper or project composed by another person and turning it in as one's own work.
- 7. Writing an exam for another student.
- 8. Unauthorized collaboration on the preparation of course work, including unauthorized editing.
- 9. Submission of identical or substantially similar papers and/or course projects in more than one class without the prior approval of faculty member(s) involved.

#### **Process of Academic Discipline**

At times, it may come to light that a student has violated one or more of the principles of academic integrity or honesty outlined above. In such cases, the student may be required to undergo a process of academic discipline. The following outlines the process used in such cases.

1. The instructor of the course will assess the severity of the alleged infraction and initiate the disciplinary process.

2. The instructor will meet with the student(s) to discuss the reason(s) for the allegation and to give opportunity to the student for explanation or confession. Confession of dishonesty upon confrontation may permit more grace to be factored into the disciplinary process. At this point, the instructor may choose to impose one of the penalties as outlined in the *Academic Discipline* chart below.

3. If the instructor is not satisfied with the outcome of the first stage of interaction with the student, or if he or she feels that it requires further action, he or she will write a brief report of the allegation and present it to the Academic Dean.

4. The Academic Dean will meet with the student(s) and render a decision on the case, including assessment of the level of academic discipline.

5. Any failure or expulsion resulting from academic dishonesty will be the action of a committee (such as the Academic Appeals Committee).

6. A student may appeal the decision by following the *Academic Review and Appeal Process*.

7. All cases of academic discipline will be appropriately documented in the student's personal file.

8. Multiple cases of academic dishonesty by the student may result in the student being required to discontinue his or her studies at Briercrest College and may result in a notation on the student's transcript.

Acade	emic Offense	Minimum Penalty	Maximum Penalty
•	Unauthorized Collaboration or Editing on Assignment	Verbal Reprimand	Failure on Assignment
•	Unauthorized Use of Previous Paper or Project	Verbal Reprimand	Failure on Assignment

Plagiarism on Assignment	Grade Penalty	Failure on Course
Cheating on Exam	Failure of Exam	Failure on Course
Writing Exam for Another	Failure on Course	Expulsion from College
Theft of Exam	Failure on Course	Expulsion from College

Given that an individual student's use of generative AI may vary in role and intensity, the following guidelines will be used to determine an appropriate penalty. Instructors will need to determine how a student has used generative AI in an assignment and to what extent it has been used bearing in mind that an exact determination may be difficult to make. This chart is not exhaustive, and instructors may need to consult with their Dean to make a determination.

Academic Offense	Minimum Penalty	Maximum Penalty
<ul> <li>Undocumented use of generative AI in a course where AI usage is allowed</li> </ul>	Verbal Reprimand	Failure on Assignment
<ul> <li>Unauthorized Use of generative AI to translate from another language</li> </ul>	Verbal Reprimand	Failure on Assignment
<ul> <li>Unauthorized use of generative AI to improve writing quality in an assignment (i.e., turning point-form notes into full sentences)</li> </ul>	Verbal Reprimand	Failure on Assignment
<ul> <li>Unauthorized use of generative AI to provide content for portions of an assignment (i.e., generating initial ideas for an assignment, providing content for specific questions on an assignment.</li> </ul>	Verbal Reprimand	Failure on Assignment
Unauthorized use of generative     Al to provide content for most or     all of an assignment.	Failure on Assignment	Failure in Course

### **Academic Review and Appeal Process**

Occasionally students may wish to appeal decisions that relate to course work (e.g., mark on an assignment, exam, or course grade), to other academic issues (e.g., program requirements or transfer credits), or to the application of some policy (e.g., a discipline matter, a program requirement). The Academic Review and Appeal Process attempts to ensure that students are treated fairly and appropriately in such cases.\*

Our goal is that the student will understand and accept the outcome of this process. When appeals reveal out-of-date policies or inadequate process Briercrest will work hard to learn from the process and adjust the policies and/or processes. As such, the principles of careful research, attentive listening, and spiritual sensitivity are all key to the Academic Review and Appeal Process.

#### 1. Request for Review within the Situation

If a student wishes to petition a review of an outcome in a particular situation, whenever possible, the request for a review should begin with the individual(s) who made the decision; such a request can be made either verbally or in writing. If the student is dissatisfied with the outcome of the faculty member or administrator's decision, he or she may begin the appeal process as outlined below.\*\*

#### 2. Appeal to the Academic Appeals Committee

Following the outcomes of her or his request for review from the faculty member or administrator, there may be situations where a student feels that an appeal of this outcome is in order. Such an appeal must be in writing (see guidelines below) and must be submitted to the Registrar (registrar@briercrest.ca). The Registrar will take this appeal to the Academic Appeals Committee, who may ask for a written response from the faculty member or administrator involved in the case, after which the Committee will render a decision. The student will receive a written response within one week of submission indicating the outcome and the individual who coordinated the review. The Committee maintains the right to defer the appeal to the next level (Dean of the Seminary or the Deans Council) if for some reason broader counsel is needed to make the decision.

#### 3. Appeal to the office of the Dean of the Seminary or the Deans Council

If a student wishes to appeal the situation beyond the steps indicated above, the student may submit a written appeal/grievance to the Deans Council within fourteen days of the decision of the Academic Appeals Committee (unless it relates to a time sensitive issue like exam schedules, in which case the appeal must occur within the appropriate time frame). The appeal must be in written form and should include all the details of the case as well as the decisions rendered in the appeals process.

College student appeals should be directed to the College Deans (<u>deanscouncil@briercrest.ca</u>) and the appropriate College Dean will present the appeal to the Deans Council. The Deans Council will communicate the decision to the student within two weeks of the appeal. Also note that the Deans Council maintains the right to defer the appeal to the next level (Executive Leadership Team) if for some reason broader counsel is needed to make the decision.

#### 4. Grievance to the Executive Leadership Team

If, after following the appeal process up to and including the Deans Council, the student is still dissatisfied with the outcome of his or her appeal, he or she may choose to file an appeal with the Executive Leadership Team. This grievance must be in written form and should include all the details of the case as well as the decisions rendered in the appeal process. The grievance should be submitted to the Provost (Office of the President – president@briercrest.ca). At this point, the Executive Leadership

Team may recommend some form of Christian conciliation where an external ombudsman is asked to come and lead the review process. The decision of the Executive Leadership Team shall be considered the final stage of appeal within Briercrest College and Seminary.\*\*\*

Notes:

\*The student can receive helpful guidance for beginning the appeal process from the registrar. \*\*When necessary, a student or designate may be asked to be present at any point in the appeal process.

\*\*\*To appeal the decision of the Executive Leadership Team, a student may contact the Association for Biblical Higher Education at (407) 207-0808 or by mail at 5575 S. Semoran Blvd., Orlando, Florida 32878-0339.

#### **Guidelines for Appeals at All Levels**

1. All appeals must be submitted in writing and include the student's full name, contact information, and date of submission. Appeal forms are available through Academic Services.

2. The appeal of course grades cannot be started later than 30 days after the beginning of the following semester.

3. Appeals must include a concise description of the reason(s) why the student is seeking an appeal.

4. Appeals must include details of any prior decisions along with the rationale given by the deciding body.

5. All decisions will be communicated to the student in writing and copies of the communication will be filed at each level.

6. In recognition of the need for impartiality throughout the appeal process, no one will be allowed to make decisions on the student's appeal at more than one level, though he or she may be asked to clarify the rationale for her or his decision. Example: If a faculty member denies the student's appeal, that faculty member will not be responsible for making further decisions on that case if the student decides to appeal to a higher level.

### **Academic Load**

The normal academic load for full-time students is 12-18 credit hours per semester (the number of credits in a full course load can vary from program to program and from year to year within a program). Students who are on academic probation or who are continuing under a Student Success Contract may have their course load restricted. Permission can be requested from the Registrar's Office to enrol in more than 18 credit hours. To request this permission, students should have successfully completed 30 credit hours and have a cumulative GPA of 2.7 or higher.

Canada Student Loans considers students for loans at 60 per cent of full-time studies, so students enroled in nine credit hours may still apply for a student loan. Please note all credit hours must be successfully completed in the semester registered to remain in good standing for student loans. For

income tax purposes, full-time funding is defined as 10 or more credit hours. For more information, view our <u>Canadian Student Loans</u> page.

## **Academic Status**

The purpose of an academic probation (AP) or required-to-discontinue (RTD) status is to notify the student that they are currently not on track for successful program completion (i.e., graduation) and to encourage the student to take steps towards achieving academic good standing as soon as possible. Academic good standing requires that a student have a cumulative GPA of at least 2.0, which is the requirement for successful program completion (i.e., graduation).

AP and RTD status takes into consideration the number of credit hours attempted at Briercrest by a student as well as their cumulative grade point average (GPA). AP status is determined after each term, while RTD status is determined only after the winter term.

Credit Hours Attempted	Cumulative GPA	Cumulative GPA
	for AP status	for RTD status
18-30	1.3-1.6	Below 1.3
31-60	1.6-1.8	Below 1.6
61-90	1.8-2.0	Below 1.8
90+	1.9-2.0	Below 1.9

#### **Academic Alert**

As a service to encourage students to be proactive in ensuring their academic success, students who attempt 9 or more credit hours in a semester, and who achieve a semester GPA that is below 1.6 (but who are in good academic standing according to their cumulative GPA) will be notified that they are at risk of being on AP or RTD. These students will be strongly advised to connect with the Academic Resource Centre to discuss a plan and explore available supports and strategies. Other relevant care team members (Residence Director, Athletic Coach, Program Coordinator, etc.) will be included in the notification to help facilitate holistic support.

#### **Academic Probation**

To assist students in being set up for success, those on AP will be required to affirm a Student Success Contract. This contract will include conditions for the number of credit hours the student is permitted to take, registration in online (CDE) courses, and involvement in co-curricular activities (especially Athletics and Worship Teams). The contract will also require that the student meet with the Academic Resource Centre to determine a plan and helpful supports (this may or may not include academic coaching).

#### **Required to Discontinue**

With an RTD, the student's academic performance raises such significant concern that they are required to take some time off before returning to continue their academic pursuits at Briercrest.\* When a student receives their first RTD notice, they will be required to discontinue for the following term (after

taking that one term off, the student may request to return). When a student receives another RTD (their second, third, etc.), they will be required to discontinue for a full academic year (after which they may request to return). If the student's request to return is granted, the student will be placed on a Student Success Contract similar to a student on AP.

\*Students who receive an RTD may appeal to continue their studies at Briercrest without taking time off. To do so, see the Academic Review and Appeal Process in the College Academic Calendar.

# **Class Attendance**

In order to benefit fully from a college education, to be good stewards of time and finances, and to be considerate of their classmates and faculty members, students must be in class at every opportunity. The following outlines the class attendance policy for college students at Briercrest College and Seminary:

All students missing more than two full weeks of a particular course from registration to the last day of classes will receive an automatic fail (0%). All students missing more than four hours of a modular class will receive an automatic fail (0%). A student may appeal a course failure due to excessive absences. Successful appeals will be granted only in rare cases where all absences are clearly beyond the student's control. Appeals must be made through the Academic Appeal Process.

# Commencement

Students may graduate only if they apply for graduation by the stated deadlines listed in the <u>key dates</u> <u>and deadlines</u> and <u>graduation</u> pages, and they meet the following requirements:

- Students must successfully complete all required courses, requisite electives and Service and Experiential Learning requirements for their program as specified in the academic calendar.
- Students must attain a cumulative grade point average (GPA) of 2.0 or higher.
- Students must be in good standing as defined by the Student Responsibilities and Expectations document and obtain the recommendation of the faculty.
- Students must meet all financial obligations to Briercrest College and Seminary before they are issued a diploma. In the event that a student is unable to meet the financial obligations, he or she may participate in the commencement ceremony, but the diploma will not be issued until he or she meets such obligations.
- Students must fulfill the Briercrest College and Seminary residency requirement.
- All Bachelor of Arts students must submit a Senior Portfolio and pass an oral interview. All Bachelor of General Studies students must submit a Junior Portfolio and pass an oral interview.

All students wishing to participate in commencement activities in any given year must ensure that they are able to complete all program requirements (including course work, internships, and/or portfolio) prior to commencement, which is held each year in late April. If, after commencements, it is discovered that a student failed to complete a program requirement, they will be officially removed from that year's graduation list and will be required to rea-apply for graduation in a future year.

By August 31 after a student has participated in commencement, graduating students must complete Service-Learning requirements and have them officially registered through the Service Learning office. Failure to meet this deadline will result in the student being officially removed from that year's graduation list and they will be required to re-apply for graduation in a future year.

# Adding and Dropping Courses

### Semester-Based Courses

- During the add/drop period, which begins with the first day of classes in a term and ends one week into the term, courses can be added or dropped via Briercrest Live.
- After the add/drop period up to three weeks from the first day of classes in a term, courses can be withdrawn through the Academic Services office with a 50 per cent tuition refund and a W (withdraw) recorded to their transcript.
- Between three and six weeks from the first day of classes in a term, courses can be withdrawn through the Academic Services office with a 25 per cent tuition refund and a W (withdraw) recorded to their transcript.
- After six weeks from the first day of classes in a term (5 p.m.), courses can be dropped through the Academic Services office. No tuition refund is given and a WF (withdraw fail) is recorded to their transcript.
- For additional information, visit the <u>key dates and deadlines</u> page and read the current Add/Drop Policy document.
- Online and CDE courses follow the college add/drop dates.

## **Modular Class Changes**

- Before the add/drop deadline, modular courses can be added or dropped via Briercrest Live.
- Between the add/drop deadline and 5:00 pm on the first day of the modular, a course can be added through the Academic Services office, depending on class limits and professor's approval.
- Between the add/drop deadline and 5:00 p.m. on the first day of the modular, a course can be dropped through the Academic Services office with a full tuition refund and deletion of the course from their transcript.
- Between 5:00 p.m. of the first day of the modular and 5:00 p.m. of the second day of the modular, a course can be dropped through the Academic Services office with a 50 per cent tuition refund and a W (withdraw) recorded on their transcript.
- After 5:00 p.m. of the second day of the modular, a course can be dropped with no tuition refund and a WF (withdraw fail) recorded on your transcript.

### Program Students in the Bible Certificate and AA Christian Studies

Students who are in the Bible Certificate or AA or Christian Studies who choose to withdraw from a online education course must contact <u>Online Education</u> to:

- Receive a full tuition refund. The course will then be removed from their transcript. NOTE: This is only applicable from the time of registration until 5:00 p.m. on the tenth day following the start of the course.
- Receive a W (withdraw) up to 30 days with a 75 per cent refund
- Receive a W (withdraw) between 30-60 days and a 50 per cent refund
- Receive a WF (withdraw fail) after 60 days with no tuition refund

### **Assignment Extension**

Individual faculty members may grant extensions, but rarely and only in unusually extenuating circumstances. They will not grant extensions due to other assignments or co-curricular involvement.

Faculty members do not have the authority to grant extensions beyond 5:00 p.m. of the last day of classes in the semester.

## **Auditing Courses**

Students may audit courses by contacting the Academic Services office to register for an audit. Not all courses are available for audit. Auditing students are required to attend lectures as per the attendance policy, but they are not required to complete the assignments. However, in order for students to gain the most benefit from the course, we highly recommend that they complete the pre-course reading as indicated in the syllabus. Auditing students are welcome to participate in the class, but we ask them not to inhibit the participation of those taking the class for credit.

Students will receive no credit or grade points for audited courses and will receive a letter grade of AU on their transcript. Audit courses are billed at 33 per cent (or one credit hour) of the regular tuition rate. If an audit student fails to attend per the attendance policy, there will be no tuition refund and no letter grade of AU will be recorded on his or her transcript.

A course that has been successfully completed for credit may be audited free of charge by current students. They must obtain permission from both the professor and Academic Services and submit a request to Academic Services. Academic Services reserves the right to limit or prohibit free audits in certain circumstances.

A spouse of a student registered in a course may attend the same course as the student free of charge. Contact <u>Academic Services</u> ahead of time so the spouse can be registered for the course. Academic Services reserves the right to limit or not allow spouses to attend. Permission must also be obtained from the course professor.

Note: Free spousal audits do not show up on the spouse's transcript

### **Changing a Course from Credit to Audit**

A student may request to change a course from "credit" to "audit" on or before the add/drop deadline with a 100 per cent refund of the tuition fee difference.

### Upgrading a Course from Audit to Credit

Students can upgrade an audit of a class to a credit on or before the add/drop deadline providing that they complete pre-course work. All due dates as outlined in the course syllabus apply. Students cannot upgrade courses from audit to credit after the add/drop deadline.

### Late Assignments

Time management is a necessary ingredient in the development of a disciplined life. We encourage students to begin their assignments well in advance of the due date. Though individual faculty members may disallow late assignments at their discretion, the following is a statement of policy concerning late assignments:

- Typically, late assignments will receive a penalty of five per cent per weekday to a maximum of 25 per cent deducted from the total assignment mark. After five weekdays, no late assignments will be accepted, and the grade for that assignment will be zero.
- Individual faculty members may articulate a modification of this policy, provided it is both approved by the dean of the faculty in which the course is located and stated clearly in the course syllabus.

Modular Courses – Due to the compressed nature of a modular course, instructors may modify the policy above, provided it is both approved by the Dean of the Faculty in which the course is located and stated clearly in the course syllabus. However, all assignments must be submitted no later than the final day of classes for the current college term or six weeks after the final class day of the modular.

### **Examinations**

Students are allowed three hours to write each final exam. As much as possible, exams are scheduled to avoid conflicts with other course exams. Students must write their final exams as scheduled unless the college has scheduled a conflict (i.e., two exams at the same time). Students may not reschedule exams for personal reasons (e.g., travel home for Christmas). If a scheduled conflict does occur, students will write one of their conflicting exams during the scheduled conflict period (if possible). Midterm exams are scheduled during regular class time.

All scheduled final exams are mandatory. Failure to write a final exam will result in an F (0 per cent) for the course.

We do not permit students to leave before completing their final exams. Students may not purchase a plane ticket or plan any other transportation that will require them to leave before their last final exam. It is solely the student's responsibility to ensure that flights and/or travel arrangements or other circumstances do not conflict with her or his exam schedule. Conflicts with travel arrangements are not appropriate reasons for exam rescheduling.

# **Grade Recalculation**

If students believe that a course instructor has made an error in their grade transcription or calculation, they should ask him or her, in writing, to recalculate the grade. Students should be aware that their grade may go up or down, depending on the error. If students are not satisfied with the response, they may follow the academic appeal process as outlined in the Academic Review and Appeal Process.

Grade Recalculation Process

- Students should approach the faculty member with their request.
- If necessary, the faculty member will submit a grade change to Academic Services. The student will not pay a fee.

## **Grade Review**

If students believe they should receive a better course grade, they should request that the faculty member involved review the final mark. The decision to review the student's grade is at the discretion of the faculty member. Students should also be aware that the faculty member may raise or lower the grade depending on the review of the assignment(s). If students are not satisfied with the response, they may follow the Academic Review and Appeal Process.

Grade Review Process

- Students must initiate the grade review process within 30 days of the commencement of the following semester.
- Students should approach the faculty member with their request.
- If necessary, the faculty member will submit a grade change to Academic Services and a fee will not be charged.

## Undergraduate Grade Scale and Grade Point Average

Briercrest College and Seminary has adopted the following grade scale for undergraduate course work:

Grade	Per cent	Grade Point	Level of Work
A+	90-100%	4.0	Exceptional Achievement
А	85-89%	4.0	Excellent Achievement
A-	80-84%	3.7	Superior Work
B+	77-79%	3.3	Very Good Work
В	73-76%	3.0	Good Work
В-	70-72%	2.7	Moderately Good Work
C+	67-69%	2.3	Solid Average Achievement
С	63-66%	2.0	Average Achievement
C-	60-62%	1.7	Marginally Acceptable Work
D+	55-59%	1.3	Below Average Work
D	50-54%	1.0	Poor Work
F	0-49%	0.0	Failure

Р	N/A	N/A	Pass
RC	N/A	N/A	Requirement Complete
AU	N/A	N/A	Audit
RP	N/A	N/A	Course Repeated
W	N/A	N/A	Withdrawal
WF	0%	0.0	Withdraw Fail
EX	N/A	N/A	Course Extended

**Grade Point Average** (GPA) for each semester is calculated as follows:

- multiplying the credit hours for each course by the grade points earned, resulting in a sum of quality points
- adding up all the quality points earned in one semester
- dividing the sum by the total number of attempted credits for that semester

The same calculation can be applied to the total number of credits and quality points a student has earned during her/his time at the college.

**Dean's List** - Students are eligible for the Dean's List (Honours) providing they are full-time (12 credits minimum) and achieve a minimum 3.70 semester GPA.

**Commencement Honours** – BA graduates are eligible for three levels of honours: 3.70 (Distinction), 3.85 (Great Distinction), and 3.95 (Highest Distinction) cumulative GPA.

## Internships

Internships offer opportunities for students to gain paid or unpaid work experience related to their program of study.

Internships are available to college students who have completed 60 credit hours or more and have been accepted into a degree program offering an internship. Some programs allow for internships with less than 60 credit hours. Students should check with their program coordinator about internship prerequisites.

Student internships will be taken in the area of their major. Students desiring to do an internship outside the area of their major may submit an appeal through the Academic Services office. For every 3-credit hour internship, students should expect to invest approximately 120-150 hours of work related to their field of study.

In the event that a student needs to drop their internship, full reimbursement of the current course will be offered if the student applies to Academic Services before 4 weeks or 1/3 of their internship has been completed (whichever is less). Any monies paid to the student while on their internship will not be expected to be paid back. Pre-internship and mid-internship assignments will be subject to the College's Course Assignment Policy. However, given the variability in timing for internships, all post-internship assignments must be submitted no later than 6 weeks after the final day of the internship.

Some programs have developed their own internal guidelines, policies, and practices. Students are responsible for following these guidelines.

# Length and Terms of Degrees

Briercrest College and Seminary reserves the right to change, substitute, or cancel any program of study in accordance with other relevant policies. Students who take one year or more off must re-enter under the current academic calendar and must re-apply for a program of study. Students who wish to maintain their status in a degree program must be registered for at least one course per year.

Students who have completed courses more than 10 years ago may be required to update their knowledge by repeating or taking additional courses toward their desired program. These decisions ae made between the Program Coordinator and the Registrar.

# **Remedial Work**

Remedial work is additional course work completed by a student after the completion of a course, in order to raise their final course grade to a pass. If a student failed the course with a final grade of 45-49 per cent, then remedial work may be an option. The maximum that a grade may be raised as a result of remedial work is six percentage points. (Example: If a student gets 49 per cent in a course, the maximum grade that student may receive after successful remedial work is 55 per cent.)

Faculty may consider having students complete regular course assignments with passing marks to qualify for the grade increase. Other remedial work could include extra reading and writing assignments to address deficiencies in the student's achievement of course outcomes. The total workload should take 6-10 hours of student engagement. If a faculty member's decision is not acceptable to the student, he or she may follow the Academic Review and Appeal Process. Multiple requests for grade reviews by the same student in consecutive semesters, as well as the student's overall academic progress, will have a bearing on the consideration of his or her request. The student is responsible for the administrative fee that results from this process, except where there has been an error in grade transcription or calculation.

**Remedial Work Process** 

- The student must initiate the review process by May 31 for winter semester grades, by September 30 for summer semester grades, and by January 31 for fall semester grades.
- The student must submit the request for a grade review in writing to Academic Services using the Remedial Work form.
- The Registrar will consult with the faculty member and either begin the review process or deny it.
- Academic Services will charge an administration fee of \$100 to the student's account upon approval of the appeal.

• Upon completion of the remedial work, the faculty member will submit the revised grade (if applicable) to Academic Services.

# **Residency Requirements**

Each student must complete a minimum of 50 per cent of the credit hours required for a) the degree program, b) the major, and c) the minor (if applicable) from Briercrest College to graduate from any program.

# Semester/Credit Hour Information

Each semester at the college is a minimum of 15 weeks long. The fall semester begins September 1 and ends December 23; the winter semester begins January 1 and ends with college modular week(s); and the summer semester begins following college modular week(s) and ends August 31.

Most courses are three credit hours. A credit hour is a value assigned to a course that indicates its relative weight within the student program. In order to achieve the intended learning outcomes, students should expect to invest 40-50 hours per credit hour (including lectures, tutorial and labs, research and writing, etc.). In a typical 3-credit-hour class, then, students should expect to invest 120-150 hours in course-related work. How those hours are invested will of course vary depending on both the nature of the course and the nature of the delivery.

# Service and Experiential Learning

Service and Experiential Learning at Briercrest is about linking academic learning with real world experience. To learn more about this program requirement go to <a href="https://www.mybriercrest.ca/college/servicelearning/">https://www.mybriercrest.ca/college/servicelearning/</a>.

# **Student Record**

If a student wishes to receive a copy of his or her official student file, he or she may submit a signed, written request to the Academic Services office. There will be a \$20 fee for this service. The student can expect to receive copies of the following as part of his or her official student file:

- All transcripts that have been sent to Briercrest from other educational institutions. As copies these would be unofficial transcripts.
- A current Briercrest transcript (unofficial).
- Application (with the exception of confidential references).
- Official correspondence with students (AP, RTD, disciplinary action, emails, etc.).

Not part of the official student record:

• Internal Briercrest communication (notes, emails, etc.), unless it is a copy of an email sent to the student.

# **Student Record Retention**

Briercrest College and Seminary retains all academic and financial records indefinitely with an off-site back-up which is maintained and audited regularly. Documents retained include but are not limited to:

• Domestic and international student transcripts.

- Contractual arrangements with the school and students.
- Admission requirements.
- Financial transactions with students.
- Documentation regarding program withdrawal or discontinuation of all students.
- Financial matters pertaining to all students (payment plan, if any; record of payments made by student to school; record of funds received from third parties).
- Records of complaints and/or resolutions.
- Student's letter of acceptance.

# Taking Courses at another University or College

We strongly encourage students who wish to take courses at another institution and who want those courses to be applied toward their college program at Briercrest to request a Letter of Permission from the Registrar. This letter may make it easier to enrol in the course at the other institution and will ensure that the course will transfer providing the student has met the conditions of the letter.

## Withdrawal and Discontinuation

Students who choose to withdraw from Briercrest College and Seminary at any point during a semester are responsible to declare their withdrawal to the Academic Services office through the appropriate form. Refunds are handled according to refund policies as applicable. Students who do not register for classes by the add/drop deadline in a given semester will be considered to have discontinued.

International students who withdraw from or who discontinue their studies at Briercrest College and Seminary to pursue studies at another designated post-secondary institution within Canada are responsible to notify Citizenship and Immigration Canada of the change, to be aware of any implications for their study and work in Canada, and to ensure that all conditions of their study permit are met. International students who withdraw from or who discontinue their studies at Briercrest and do not pursue studies at another designated post-secondary institution are responsible to leave the country immediately.

# **DEGREE INFORMATION**

Briercrest College and Seminary offers a variety of undergraduate educational programs including:

Bachelor of Arts degree: 120 credit hours (in most cases) with 39 credit hours required at the 300+ level (unless otherwise specified)

Associate of Arts degree: 63 credit hours

Certificate: 30 credit hours (in most cases)

Minors: Are areas of study outside of a student's major that indicate a minimum level of proficiency (and often a level of interest). Although our college offers a wide variety of areas of study for the completion of a minor, students are not required to take a minor in order to graduate. Upon successful completion of requirements, a minor is recognized on a student's transcript.

# **Briercrest College Bachelor of Arts Learning Outcomes**

- Carefully interpret Christian Scripture for the formation of faith and practice
- Articulate their theological and historical place in the global Christian community
- Critically analyze a variety of texts and weigh different interpretations of those texts
- Formulate and persuasively communicate sound arguments both orally and in writing
- Work fruitfully with a diversity of people toward the betterment of the church and the student's broader communities

# The College Core Curriculum for Bachelor of Arts Degrees

The Christian liberal arts tradition has a long and important history of emphasizing the inter-connected nature of knowledge. The Briercrest College and Seminary core curriculum reflects this legacy and provides the student with essential knowledge upon which further disciplinary study will be based. While the core curriculum begins with a thorough examination of the Christian Scriptures and theology, it also requires sustained exploration of the theological and historical nature of the Christian faith, both in its western and majority world contexts. The emphasis upon the Christian Scriptures and faith is complemented by required study in English Literature and Composition, Philosophy, the Social Sciences, the Global Community, Fine Arts, Human Movement and Communication, and Scientific and Numerical literacy, all taught within an environment that takes the intersection between faith and academic discipline seriously. Students are also asked to take an interdisciplinary course in world view formation where perspectives from several disciplines examine the nature of what makes up a Christian world view. The core curriculum is required of all baccalaureate students, and because its requirements range from introductory to advanced classes, it is typically taken over the entire four years of a student's studies.

# FACULTY OF ARTS AND SCIENCE

# **Bachelor of Arts Biblical Studies (120 credit hours)**

Program Coordinator: Wes Olmstead, PhD

Our BA Biblical Studies degree offers students a dynamic, interdisciplinary experience thoroughly rooted in the life-giving exploration of Christian Scripture. It is designed for students who want to learn to love God more deeply through the patient study of his Word. Introductory courses in both Old and New Testament expose students to the diversity of biblical literature as well as to the interpretive skills needed to read both the Old and New Testaments wisely and with faithful commitment to Jesus Christ. Upper-level electives introduce students to the diversity of biblical interpretation while providing opportunities for more focused study. Consequently, students learn to read widely (often encountering unfamiliar modes of biblical interpretation) while also learning to read closely (often acquiring a profound appreciation for the literary and theological sophistication with which the Bible was written). All Biblical Studies majors complete a four-course language sequence in either Hebrew or Greek in Briercrest's innovative ancient-language program (with some opting to study both languages and the large majority completing more language study than the program requires). The program provides outstanding preparation for graduate study in biblical studies (but also in theology, pastoral ministry, Bible translation, etc.).

Located amongst the humanities, the BA Biblical Studies degree also opens the door to a wide range of career paths, within and beyond traditional church and parachurch roles. The program's marked emphasis on close reading, language proficiency, written communication, critical thinking, and research prepares its graduates for careers in fields as diverse as church ministry, social work, education, law, business, and communications. Most importantly, however, the deep and sustained study of God's Word helps students to integrate the other disciplines to which they are exposed, while their hearts and minds simultaneously awaken to the transformative love of God.

# **Program Overview:**

The BA Biblical Studies requires 39 credit hours of Biblical Studies courses (including at least 18 credit hours at 300+ level and six additional credit hours at 400+ level), 12 credit hours of cognate language requirements (Greek or Hebrew), and six credit hours of cognate Theological Studies requirements. Like most Briercrest programs the BA Biblical Studies requires 39 credit hours at the 300+ level within the context of a 120-credit hour degree. The BA Biblical Studies is offered with the <u>authorization of the Government of Saskatchewan</u>.

# **Learning Outcomes:**

Graduates of the BA Biblical Studies will be able to:

• Demonstrate an intermediate level of proficiency in Greek or Hebrew so as to read and carefully interpret the Greek New Testament or Hebrew Old Testament with attention to ancient historical, literary, and cultural contexts.

- Articulate a reflective approach to interpretation.
- Demonstrate a commitment to the interpretation of Scripture for the life of the church through leadership, teaching or preaching.

# Major Requirements (39 major credit hours + 18 cognate credit hours):

# Bachelor of Arts Biblical Studies [Honours] (120 credit hours)

Program Coordinator: Wes Olmstead, PhD

The BA Biblical Studies (Honours) program allows greater specialization than is possible in the standard BA Biblical Studies program. It is designed for students who wish for deeper insight and more intensive training in their subject of special interest and who are able to meet the higher standards set. Entrance into this program is by application following the completion a minimum of 45 credit hours, and the student is required to have a cumulative GPA of 3.3 at the time of entry. Approval is subject to faculty availability and competence in the area of research.

# **Program Overview:**

Students must complete 45 credit hours of major requirements, including 33 credit hours at the 300-400 levels with a minimum of 12 credit hours at the 400 level. In addition, students must take at least 18 credit hours of biblical languages, including at least 12 credit hours in one language (Hebrew or Greek) and 6 credit hours in a second biblical language. Students who complete this program will also be awarded a minor in Ancient and Biblical Languages. The BA Biblical Studies (Honours) is offered with the <u>authorization of the Government of Saskatchewan</u>.

# **Learning Outcomes:**

Graduates of the BA Biblical Studies (Honours) will be able to:

- Demonstrate an intermediate level of proficiency in one biblical language (Greek or Hebrew) and a beginning level of proficiency in the other (Greek or Hebrew) so as to read and carefully interpret the Greek New Testament and Hebrew Old Testament with attention to its ancient historical, literary, and cultural contexts.
- Complete a major independent research project that advances a sustained argument.
- Articulate a reflective approach to interpretation.
- Demonstrate a commitment to the interpretation of Scripture for the life of the church through leadership, teaching or preaching.

# Major Requirements (45 major credit hours + 24 cognate credit hours):

I. Required Courses (9 credit hours) BLST 111 Introduction to the Old Testament BLST 109 Introduction to the New Testament BLST 423 Advanced Hermeneutics

# II. Electives (30 Credit hours)

**Minimum 6 credit hours must be taken in each of the 3 domains:** (a) Old Testament Studies; (b) New Testament Studies; and (c) Backgrounds and Methodological issues. BLST 435 Synoptic Gospels can be used as either a New Testament or Methods elective, but can count only once in the major.

A minimum of at least 21 credit hours must be taken at the 300+ level. An additional 3 credithour elective must be taken at the 400 level. (Note: BLST 426 Biblical Studies Internship may be taken as an elective but does not count as one of the required 400 level courses.)

# III. Honours Thesis (6 credit hours)

Students are required to complete BLST 498/99 Honours Thesis (6 credit hours), including an oral defense or public presentation and the production of a library-acceptable copy. The Honours thesis must be defended before two faculty members, one of whom (typically the second reader) may be a non-Briercrest faculty member.

# IV. Cognate Language Requirement (18 credit hours)

12 credit hours of one biblical language (Greek or Hebrew) and at least 6 credit hours of the other.

**Note:** students may count the second year of the second biblical language as Biblical Studies Electives.

V. Cognate Theological Studies Requirements (6 credit hours at 300+ level) Students must complete six (6) credit hours of Theology courses at the 300-400 levels.

# 5 Year BA + MA Biblical Studies Pathway

Pathway Coordinator: David Miller, PhD

The BA/MA 4 + 1 academic pathway enables students to earn both a BA in Biblical Studies and a MA (either MABLE or MATS) in five years. This program is designed to be efficient and cost-effective, with advanced standing and shared credits reducing the total time and expense for students. The pathway combines Briercrest College's Biblical Studies four-year Bachelor of Arts courses with Briercrest Seminary's Master of Arts courses, allowing students to add master's qualifications to their bachelor's degree in as little as one additional year.

Alongside the same comprehensive undergraduate education <u>authorized by the government of</u> <u>Saskatchewan</u>, students will receive <u>accredited</u> graduate-level training from well-respected Canadian scholars in biblical studies, theology, and ministry.

The pathway uses "shared credit" courses to achieve maximum efficiency for students. These "shared credit" courses...

- Are completed at Briercrest Seminary, for graduate-level credit and with graduate-level workload expectations for students. These courses are then counted toward completion of the undergrad degree.
- Are taught by instructors who are qualified to teach at the graduate level, most often by instructors from the same Department of Biblical and Theological Studies which runs the undergraduate government-authorized BA Biblical Studies degree.
- May result, depending on course availability, in a pathway student completing only 99 undergraduate credits for their BA degree. The remaining 21 credit hours for their BA degree would come from "shared credits" earned at the graduate level.

For more information, see the program details on our website for <u>Bachelor of Arts in Biblical Studies</u> at Briercrest College and, subsequently, a Master of Arts in <u>Biblical Languages and Exegesis</u> (<u>MABLE</u>) or <u>Theological Studies (MATS) (Old Testament Concentration and New Testament</u> <u>Concentration</u>) at Briercrest Seminary. Also see the <u>Pathway Process FAQ</u> which answers many of the practical questions that students will have about completing the pathway.

# **Bachelor of Arts English (120 credit hours)**

Program Coordinator: Rhoda Cairns, PhD

The English program at Briercrest provides students with a solid grounding in traditional literary studies, literary theory, and Canadian, contemporary, and World literatures, while at the same time equipping them with a strong biblical and theological education.

# **Program Overview:**

The BA English requires 42 credit hours of English or English-related courses (including at least 24 credit hours at 300-400 level). Like most Briercrest programs the BA English requires 39 credit hours at the 300+ level within the context of a 120 credit hour degree. The BA English is offered with the authorization of the Government of Saskatchewan.

# **Learning Outcomes:**

Graduates of the BA English will be able to:

- Demonstrate knowledge and comprehension of representative authors and works in literature written in English, as well as their social, cultural, theoretical, and historical contexts;
- Read a diversity of texts from a variety of interpretive perspectives and demonstrate in both oral and written work the discipline-specific skills necessary to provide a convincing and wellsupported analysis of those texts, including the ability to find and apply relevant primary and secondary sources;
- Interpret literature and apply language in a thoughtful, articulate way in order to examine critically one's personal beliefs and values and to reflect on the human condition in today's world.

# Major Requirements (42 credit hours):

Required Coursework (18 credit hours)
 ENG 100 Literature and Composition I
 ENG 101 Literature and Composition II

The BA English (Honours) requires 60 credit hours of English or English-related courses (including at least 33 credit hours at the 300-400 level and at least 15 credit hours at the 400 level). Like most Briercrest programs the BA English requires 39 credit hours at the 300+ level within the context of a 120-credit hour degree. The BA English (Honours) is offered with the <u>authorization of the Government of Saskatchewan</u>.

# **Program Overview:**

The English (Honours) program allows greater specialization than is possible in the BA. It is designed for students who wish a deeper insight and more intensive training in their subject of special interest and who can meet the higher standards set. Entrance into this program is by application.

Program admission for the BA English (Honours) requires: (a) 60 credit hours of university-level coursework; (b) a minimum GPA of 3.3 in English courses and cumulative GPA of 3.00 or better; and (c) permission of the program coordinator(s). Honours thesis topics are limited by areas served by (a) faculty competency and (b) available resources.

# **Learning Outcomes:**

# Graduates of the BA English (Honours) will be able to:

- Demonstrate knowledge and comprehension of representative authors and works in literature written in English, as well as their social, cultural, theoretical, and historical contexts;
- Read a diversity of texts from a variety of interpretive perspectives and demonstrate in both oral and written work the discipline-specific skills necessary to provide a convincing and wellsupported analysis of those texts, including the ability to find and apply relevant primary and secondary sources;
- Interpret literature and apply language in a thoughtful, articulate way in order to examine critically one's personal beliefs and values and to reflect on the human condition in today's world;
- Demonstrate specialized knowledge in a specific area of English Literature or produce a creative work that is deemed superior at the baccalaureate level.

# **Bachelor of General Studies (90-100 credit hours)**

Program Coordinator: Alan Guenther, PhD

The Bachelor of General Studies (BGS) is a strong foundation-building, pathway program with considerable flexibility for students. The degree is aligned with Briercrest's educational mission in the liberal arts and provides manifold pathways to professional disciplines and industries. There are two tracks available within the BGS: Education, and Arts and Science. The BGS Education track is designed to meet the "teachable" requirements for an after-degree, Bachelor of Education (Elementary Education Stream and Secondary Education Stream). The BGS Arts and Science track will largely proceed to further specific career training in fields such as: medicine and health care, teaching or education, law studies, business, and a variety of other professional fields. While the Bachelor of General Studies is itself an employable degree, it sets students on a course into many employable fields within Saskatchewan and Canada.

#### **Program Overview:**

The Bachelor of General Studies requires students to choose two concentrations (three for Elementary Education). Beyond these disciplinary concentrations, the degree requires 24 credit hours at the 300+ level, ensuring a measure of depth. The Bachelor of General Studies is offered with the <u>authorization of the Government of Saskatchewan</u>. The design of this program first attends to the common core and then proceeds to the specific components of the curriculum as follows...

Christian Studies (27 credit hours) & Foundational Studies (18 credit hours).

# Bachelor of Arts History (120 credit hours)

Not receiving applicants for this program in 2025-26.

# Program Coordinator:

History orients us to the world we inhabit and we need more than just our living memory to make sense of it. Understanding history and historical context expands our horizons and gives us tools to assign meaning to past and current events. The nineteenth-century German writer Goethe said, "He who cannot draw on three thousand years is living from hand to mouth." The past is always with us and history is always unfolding. Learning how to interpret the past makes us better able to live in the present.

The History program at Briercrest is designed to give students a broad awareness of how world societies have come to take their present forms. It will cultivate an appreciation for the people of various cultures whose histories can be radically different and at times surprisingly similar to our own. The study of history prepares students to engage in lives of service by sharpening their analytical skills and improving their abilities to communicate and persuade orally and in writing.

Studying the past gives students a strong foundation for pursuing careers in education, communications, business, law, politics, and more. But it also provides them with the skills needed to navigate a changing world and emerging fields of employment. Studying history is preparation for life. Understanding the past provides us with a broader perspective and keeps us from "living from hand to mouth."

# **Program Overview:**

The BA History requires 42 credit hours of history or history-related courses (including at least 24 credit hours at 300-400 level). Like most Briercrest programs the BA History requires 39 credit hours at the 300+ level within the context of a 120 credit hour degree. The BA History is offered with the authorization of the Government of Saskatchewan.

# **Learning Outcomes:**

Graduates of the BA History will be able to:

- Demonstrate familiarity with world history, including its people, movements, issues, and ideas, making connections and recognizing change and continuity over time.
- Analyze and evaluate both primary and secondary sources, identifying arguments and perspectives, and locating interpretations within their historical contexts.
- Engage meaningfully with human questions and perspectives across time and place, listening to those who think and act differently with empathy, and discerning current complexities in light of a longer historical perspective.

History orients us to the world we inhabit, and we need more than just our living memory to make sense of it. Understanding history and historical context expands our horizons and gives us tools to assign meaning to past and current events. The nineteenth-century German writer Goethe said, "He who cannot draw on three thousand years is living from hand to mouth." The past is always with us and history is always unfolding. Learning how to interpret the past makes us better able to live in the present.

The History program at Briercrest is designed to give students a broad awareness of how world societies have come to take their present forms. It will cultivate an appreciation for the people of various cultures whose histories can be radically different and at times surprisingly similar to our own. The study of history prepares students to engage in lives of service by sharpening their analytical skills and improving their abilities to communicate and persuade orally and in writing.

Studying the past gives students a strong foundation for pursuing careers in education, communications, business, law, politics, and more. But it also provides them with the skills needed to navigate a changing world and emerging fields of employment. Studying history is preparation for life. Understanding the past provides us with a broader perspective and keeps us from "living from hand to mouth."

# **Program Overview:**

The BA History (Honours) requires 54 credit hours of history or history-related courses (including at least 33 credit hours at 300-400 level). Like most Briercrest programs the BA History (Honours) requires 39 credit hours at the 300+ level within the context of a 120 credit hour degree. The BA History (Honours) is offered with the <u>authorization of the Government of Saskatchewan</u>.

# **Learning Outcomes:**

Graduates of the BA History (Honours) will be able to:

- Demonstrate familiarity with world history, including its people, movements, issues, and ideas, making connections and recognizing change and continuity over time.
- Analyze and evaluate both primary and secondary sources, identifying arguments and perspectives, and locating interpretations within their historical contexts.
- Engage meaningfully with human questions and perspectives across time and place, listening to those who think and act differently with empathy, and discerning current complexities in light of a longer historical perspective.
- Demonstrate specialized knowledge in a specific area of history and the ability to advance a sustained historical argument, both in prose and in oral presentation.

The humanities are about people, culture, and ideas. The BA Humanities ensures that students are initiated into the rich cultural legacy we share as human beings. Since a BA Humanities is interdisciplinary and multicultural, students learn not only about their place in this heritage, but also how they can relate to others who may not share it.

The BA Humanities offers a significant biblical and theological basis from which to engage this legacy as well as an opportunity to undertake significant study in English, History, and Philosophy.

The professors have good reasons to believe that if students thrive in this program, they will indirectly develop competencies that enable them to live well and succeed in their professions, whatever those might be. What employer would not be interested in graduates who communicate clearly, think precisely and imaginatively, learn continuously, adapt easily, and work productively with others?

Education can be a source of permanent delight. Why settle for anything less? We believe that if students learn to love what is good and pursue it wholeheartedly, they will find themselves with characteristics, motivations, and ways of living that enable them to serve well in contemporary society.

# **Program Overview:**

The BA Humanities requires 63 credit hours of disciplinary study, largely in English, History, and Philosophy, complemented by courses that present a distinctly interdisciplinary methodology. In addition, this degree requires 3 credit hours of cognate requirements in the fine arts. Like most Briercrest programs, the BA Humanities requires a minimum of 39 credit hours of 300+ course work within the context of a 120 credit hour degree. The BA Humanities is offered with the <u>authorization of the Government of Saskatchewan</u>.

# Learning Outcomes:

Graduates of the BA Humanities will be able to:

- Interpret societal issues with concepts drawn from several humanities disciplines.
- Demonstrate the intellectual virtues of humility, delight, responsiveness, and respect in relation to a diversity of texts and people.
- Articulate a mature understanding of the historical and intellectual heritage of western culture and its relationship with majority world contexts.

# Bachelor of Arts Psychology (120 credit hours)

Program Coordinator: Ellery Pullman, PhD

Discover people. Learn about childhood development. Find out how your brain works. Learn about the diagnosis and treatment of mental problems. Think about what it means to be human. Learn about relationships. Discover new ways of seeing the world and your place in it.

Psychology is the study of thought, feeling, and behaviour. The BA Psychology is for those who are interested in understanding why people do the things that they do, and who want to gain insight into their own personalities and emotions. It is designed to introduce students to the major concepts and discoveries of psychology, and to equip them with basic skills in research design and interpretation, and in the application of psychological principles to personal, social, and organizational issues.

Specific skills you will acquire as a psychology major at Briercrest include critical and creative thinking, the ability to collect, organize, analyze, and interpret social science data, the ability to communicate well, and an increased level of interpersonal awareness. These skills are highly sought after by employers in a wide range of fields.

The BA Psychology offers a solid foundation for graduate study, as well as providing entry into a wide variety of social and human service occupations.

# **Program Overview:**

The BA Psychology at BCS requires 42 credit hours of major requirements including 27 credit hours at the 300-400 levels and 6 credit hours at the 400 level. # Bachelor of Arts Theology (120 credit hours)

Program Coordinator: Joel Houston, PhD

This program is designed to guide students into the rich and complex heritage of Christian belief and practice. By more deeply understanding the intricacies of the Christian tradition, students will be better able to interpret it within contemporary culture and to appreciate the complex traditions of others. An important component of this involves the careful use of the Christian Scriptures, and so all BA Theology students gain competency in the study of a biblical language. Students also gain skills to think and write clearly as they analyze sophisticated theological ideas. Since a high priority in the program is placed on robust dialogue and discussion, students learn important relational and communication skills.

Finally, since theological ideas shape living and character, students are pushed to become competent and effective leaders in whatever context they find themselves. This program offers broad preparation for a variety of careers. The BA Theology also offers an excellent foundation for graduate studies in fields such as theology, religious studies, and pastoral ministry.

# **Program Overview:**

The BA Theology requires 39 credit hours of Theology, 12 credit hours of cognate language requirements, and 6 credit hours of cognate Biblical Studies requirements beyond the Core requirements. Like most Briercrest programs, the BA Theology requires 39 credit hours of 300+ course work within the context of a 120 credit hour degree.

#### Learning Outcomes:

Graduates of the BA Theology will be able to:

- Demonstrate a nuanced understanding of the historical and theological developments of the Christian church from the New Testament to the Modern era.
- Skillfully address contemporary intellectual, social, and ecclesiastical issues from a theological perspective.
- Communicate Christian theological view in the church and society.

# FACULTY OF CHRISTIAN MINISTRY

# **Bachelor of Arts Christian Ministry (120 credit hours)**

Program Coordinator: Rob Chartrand, DMin

This program prepares students for effective ministry in church and para-church contexts. It pairs together quality classroom instruction with experiential education. It further provides a strong liberal arts foundation, and biblical and theological grounding. Additionally, the program establishes a firm foundation for further study at the graduate level.

Students in the program can choose one concentration for study: Youth Studies, Children's Studies, Pastoral Studies, or Worship Arts. Each concentration has specialized courses pertaining to that field of study. In addition, the Christian Ministry program provides ministry training courses that will be formational and applicable to all areas of ministry. The capstone of the degree is an 18-credit hour internship (9 credit-hours per semester) that lasts a minimum of seven months. Students will have the opportunity to intern with one or the internship placement sites which are located across Canada.

#### **Program Overview:**

The BA Christian Ministry requires 45 credit hours of Christian Ministry and Christian Ministry-related course work (including 30 credit hours at the 300+ level). These 45 credit hours include an 18-credit hour internship. In addition, students must choose a primary concentration (24 credit hours) from one of the following options: Youth Studies, Children's Studies, Pastoral Studies, and Worship Arts. Like most Briercrest programs, the BA Christian Ministry requires 39 credit hours of 300+ course work within the context of a 120-credit hour degree.

#### **Learning Outcomes:**

Graduates of the BA Christian Ministry will be able to:

- Thoughtfully interpret and apply a foundation of biblical knowledge.
- Appreciate and appropriate spiritual formation practices to sustain a life of ministry service.
- Articulate the fundamentals of preaching or teaching, with some demonstrated competency.
- Execute essential ministry practices with some proficiency as a result of hands-on experience and internship.
- Display a holistic, biblical understanding and appreciation for the church including its purpose, mission, governance, and operation.
- Demonstrate proficiency in equipping the body of Christ for works of service through the development of volunteers, leaders, and teams.
- Articulate a deep understanding of the issues, challenges, and contextualized ministry practices for a program concentration, and apply these through hands-on experience and internship.

# Associate of Arts Christian Studies (60 credit hours)

Not receiving applicants for this program in 2025-26.

Program Coordinator: Brian Westnedge, MA

# **Program Overview:**

The AA Christian Studies provides a broad exposure to the Core curriculum, with a focused, enriching study of theology, biblical studies, ministry, and Christian worldviews. This program encourages a strong link between academic and practical learning through mentoring, journaling, and an integral relationship with the church, and is ideal if you are interested in being better equipped for service within the structure and accountability of a degree program, through an accredited institution. The AA Christian Studies is intended for off-campus students only, as all program components can be completed through online education.

# Program Requirements (60 credit hours):

- the completion of a modified Core curriculum (27 credit hours)
- the completion of 21 credit hours of Discipline Required & Elective course requirements, including a minimum of 6 credit hours at the 300+ level:

- the completion of 12 credit hours of Free Electives

# Bachelor of Arts Worship Arts (120 credit hours)

Program Coordinator: Geoff Dresser, MA

The BA Worship Arts is designed to develop the student's worship leadership and ministry skills while building a framework for understanding worship and the arts in light of historical movements and biblical principles. The program is built upon a foundation of courses in biblical studies, theology, and arts and science.

Successful graduates of the program are prepared to become competent music and worship leaders for churches, parachurch ministries, and mission organizations. This program lays a solid foundation for further study at the graduate or undergraduate level, particularly in the areas of music or worship arts pastor, etc.

# **Program Entrance:**

Students who wish to enrol in the BA Worship Arts program can fill out a <u>brief form</u> to indicate their interest. The program coordinator will then contact you with further details about the application process which will include the application package (application form, reference letters, and audio/video recording) and interview by phone or in person. An open audition and <u>theory placement test</u> will take place during registration in September.

Transfer students should contact the Music/Worship Arts office (<u>worship.arts@briercrest.ca</u>) to arrange for an audition and interview for direct entry into the program.

#### **Program Overview:**

The BA Worship Arts requires 42 credit hours of Worship Arts-related course work and 6 credit hours of cognate requirements with a minimum of 30 credit hours of course work at 300+ level within the context of a 120 credit hour degree.

#### **Learning Outcomes:**

# Bachelor of Arts Youth Ministry (120 credit hours)

Not receiving applicants for this program in 2025-26.

# Program Coordinator: Rob Chartrand, DMin

Youth today are not satisfied with simple answers. They want more than clichés from people who do not recognize the complexity of their world. The BA Youth Ministry trains students to be specialists equipped to help meet the needs of young people and their families. The program has a solid foundation in biblical studies and theology, a strong emphasis on the social sciences (and psychology in particular), and a primary focus on courses that explore the profession of youth ministry and its relationship to the broader church.

Beyond the classroom, students in the BA Youth Ministry are required to complete two separate internships in which they work in a church or ministry context. More broadly, this experiential component is complemented by opportunities to be directly involved in working with youth in local churches, local high schools, Youth Quake, a nearby youth drop-in centre, and other possibilities. The BA Youth Ministry seeks to provide students with the character development, spiritual growth, biblical and theological grounding, and skills needed for full-time or lay youth ministry.

This program also provides the option for further study at the graduate or undergraduate level, particularly in the areas of youth ministry or other ministry-related studies. While most graduates pursue formal ministry positions, some graduates have found employment in group homes for adolescents and other service sector occupations.

#### **Program Overview:**

The BA Youth Ministry requires 36 credit hours of course work within the major and 12 credit hours of cognate requirements. At least 27 credit hours of the major and cognate requirements must be at the 300+ level. Like most Briercrest programs, the BA Youth Ministry requires a minimum of 39 credit hours of 300+ level course work within the context of a 120 credit hour degree.

# Learning Outcomes:

Graduates of the BA Youth Ministry will be able to:

- Assess youth ministry practices in light of Scripture and historical and cultural trends.
- Articulate a theologically informed philosophy of youth ministry.
- Demonstrate the skills necessary for effective youth ministry.

# Bachelor of Youth Ministry (90 credit hours)

Not receiving applicants for this program in 2025-26.

Program Coordinator: Sid Koop (CYME) and Rob Chartrand (Briercrest)

The Bachelor of Youth Ministry is designed to equip persons for youth ministry in church and parachurch organization. The degree will provide the academic background, skills, and experience necessary for successful engagement in youth ministry. The program also seeks to provide the spiritual and intellectual formation needed for youth-focused ministerial and public leadership.

# **Program Overview:**

<u>The Coalition for Youth Ministry Excellence</u> (CYME) and Briercrest are partnering to combine the strengths of each organization to produce an accredited and highly practical and contemporary ministry training route. For college students, Briercrest provides the first two years of instruction where students experience an impactful community life in a program that highlights biblical and general studies as well as personal spiritual growth. The program will also run with cohorts of students who will network and have a shared course load experience during the CYME phase of apprenticeship. In short, this program involves two years in the college environment, followed by two years of field work with a mentor which periodically includes eight modular courses delivered in Kelowna by the CYME.

# **Learning Outcomes:**

Graduates of the Bachelor of Youth Ministry will be able to:

- Assess youth ministry practices in light of Scripture and historical and cultural trends.

# FACULTY OF PROFESSIONAL STUDIES AND PERFORMING ARTS

# **Bachelor of Arts Applied Linguistics: TESOL (120 credit hours)**

Program Coordinator: David Catterick, PhD

This four-year degree offers comprehensive training in Teaching English to Speakers of Other Languages. The goal of the program is to train and equip aspiring teachers of English as a Second Language to become competent and confident teachers. Graduates from the program serve in various English teaching capacities all over the world. The program is accredited at Professional Standard Two by TESL Canada, the national accrediting body for TESOL. Standard Two is the highest level of accreditation for undergraduate degrees meaning that graduates are eligible to receive the qualification of choice of employers here in Canada and a de facto rubber stamp of training quality elsewhere in the world. At almost 500 hours of TESOL and TESOL-related instruction, the Briercrest degree is one of the most comprehensive undergraduate TESOL degrees in North America.

# **Program Overview:**

The BA Applied Linguistics: TESOL requires 45 credit hours of major requirements, including 6 credit hours of cognate language requirements. Like most Briercrest programs, the BA Applied Linguistics: TESOL requires 39 credit hours of 300+ course work within the context of a 120 credit hour degree. The BA Applied Linguistics: TESOL is offered with the <u>authorization of the Government of Saskatchewan</u>.

#### **Learning Outcomes:**

Graduates of the BA Applied Linguistics: TESOL will be able to:

- Demonstrate an in-depth knowledge of the grammatical structure and phonological system of the English language.
- Critically appropriate a range of methodological approaches to evidence teaching skills commensurate with TESL Canada Professional Standard Two certification.
- Formulate ethical, context-sensitive approaches for English language instruction in a variety of settings.

<sup>&</sup>lt;sup>1</sup> An exception to the modern language requirement of the Applied Linguistics: TESOL program is to take a set of biblical language courses in either Greek or Hebrew at Briercrest College and Seminary. These courses taught at Briercrest are taught using a language teaching method known as communicative language teaching (CLT). Although taught similarly to modern languages, there are some distinctives in the learning of a nonliving biblical language, particularly in the sequence and types of topics covered. Therefore, to ensure coverage of equivalent learning goals, students must complete a **minimum of 4 courses in one language** to satisfy the modern language requirement of the Applied Linguistics: TESOL program.

# **English for Academic Purposes**

Program Coordinator: Angela Lim

# **Context of the EAP Program**

The Briercrest EAP program exists to equip international students for achieving their academic and career goals. This is accomplished through a focus given to English language instruction, academic literacies, academic discourse socialization, intercultural competence, and critical thinking skills.

For students who desire to come to Briercrest College but have scored below the language proficiency requirement the EAP program provides a pathway for entrance into the college through additional English and academic instruction. The EAP program accepts students who score between 70 and 82 on the TOEFL iBT exam and will provide instruction designed to prepare students for entrance into Briercrest College.

# **Program Overview**

Upon entering the EAP program, international students' language proficiency and academic skills will be assessed to determine the optimal educational pathway for success. Every student will be engaged in EAP courses. Students with higher intermediate proficiency will have the opportunity to take a college course in addition to EAP course work.

Results from an accepted English proficiency exam will determine placement in the program ranging from low-intermediate to low-advanced language skills. As one progresses through the program they will actively participate in a variety of individual and group activities that will provide engaging opportunities to develop in the language skills of:

- Reading
- Writing
- Listening
- Speaking
- Critical Thinking
- Academic Discourse

# **Assessment and Entrance Requirements**

Students will need to submit their official results of one of the English proficiency exams below. Placement into the EAP program will be determined based on their results.

Track	IELTS	TOEFL iBT	CAEL
Intermediate	5.5 (minimum	70 (15 or higher in	40

# Cost of the Program:

Tuition will be equivalent to a full-time course load of five courses per semester with no international tuition fee. Room, books, and other fees will be the same as domestic students. Students choose the meal plan that is most suitable to their needs. Students should plan to apply early to Admissions to comfortably navigate the academic and immigration processes in a timely manner.

Application deadline is March 15.

# Bachelor of Arts Sacred Music (120 credit hours)

Program Coordinator: Ron de Jager, DMA

The BA Sacred Music is a direct entry program\* designed for those who are naturally gifted in the arts (music, drama, etc.) and who desire to develop these gifts while broadening their education with courses in Bible and theology, Christian ministry, and courses in the arts and science. Students who desire further study in music *may* also opt to complete a performance concentration in voice, piano, musical theatre, or instrumental.

Successful graduates from the BA Sacred Music will have gained a breadth of learning that allows for a wide array of ministry, career, and academic choices.

Although this is a direct entry program, an assessment will be taken at the end of the second year to determine suitability for continuation in the program.

## **Program Entrance:**

Students who wish to enrol in a music program at Briercrest College and Seminary must apply for the BA Sacred Music. Please fill out a brief form, <u>http://briercrest.ca/current/college/music-forms/music/</u>, indicating your interest in the music program. An open audition and <u>theory placement test</u> will take place during registration in September. In their first semester, students are expected to be involved in a large ensemble and enrol in private lessons. Students who desire to concentrate on a specific area are invited to audition and interview for entry into one of the performance concentrations within the BA Sacred Music program (voice, piano, musical theatre, or instrumental, dependent upon faculty availability) at the conclusion of their first year of study. Please fill out the brief <u>online music form</u> indicating your interest in the performance concentration. The requirements and expectations of the audition and interview process will vary depending on the concentration.

Transfer students should contact the Music/Worship Arts office (<u>worship.arts@briercrest.ca</u>) to arrange for an audition and interview for direct entry.

#### **Program Overview:**

The BA Sacred Music requires 42 credit hours of study in Music plus 3 credit hours of cognate requirements with a minimum requirement of 24 credit hours at 300+ level within the context of a 120 credit hour degree.

#### **Learning Outcomes:**

Graduates of the BA Sacred Music will be able to:

- Demonstrate proficiency in at least two skill-based, or academic, disciplines in music.

# Kaléo Certificate (30 credit hours)

Program Coordinator: Don Taylor, PhD

This program does not take place in a typical classroom. Offered in partnership with Camp Qwanoes on Vancouver Island, this program is an eight-month foundational program for developing young leaders. Students engage in solid, Bible-based studies taught by qualified faculty members. Students have the opportunity to put their studies to the test as they learn leadership and teamwork in the context of a small student community, camp ministry, local church involvement, mission experience, and outdoor adventure. For more details, visit the <u>Kaléo</u> website.

The Kaléo program is for single students ages 18-23 who are called to leadership. In addition to the general admission policies of the college, acceptance to this program is based upon the following criteria:

- a godly lifestyle and good standing in a local church
- proven leadership potential and/or a strong interest in developing leadership skills and abilities
- experience and/or willingness to serve in a variety of ministry contexts
- willingness and ability to engage in college-level studies

Enrolment is limited, so students are encouraged to apply early for this program.

# **DEFINITION OF TERMS**

**Associate of Arts** – a two-year course of study that stands alone involving 63 credits including 30 credit hours of Briercrest's core requirements for BA degrees. Students who wish to complete dual AA programs will be required to complete at least 15 additional credit hours that are not applied to the first AA.

**Concentration** – an area of focus within a major.

**Cognate** – course(s) with content that supports the major, but that are not counted toward the major requirement credit hours.

**Credit hour** – The unit measuring educational credit, usually consisting of one weekly period lasting approximately one hour, or a given number of periods of laboratory work throughout one term (semester). A course timetabled to run three hours each week will usually carry three credit hours.

**Second major** - With permission of the Dean of College, students wishing to complete a second undergraduate major within their bachelor's degree program will be required to complete all requirements for both majors. Courses from one major cannot be applied to the second major. Free elective courses completed toward the bachelor's degree program can fulfill requirements in the second major. The second major must be a different specialization from the first major.

**Major** – a discipline chosen as a field of specialization typically requiring 36 or more credit hours of study.

**Minor** – an area of study that must be taken outside of one's major, involving 18-30 credit hours of study.

Free elective – a course of the student's choice from any discipline.

**Plagiarism** – to take the ideas, writings, findings, computer software, etc. of another and present them as one's own. Plagiarism is a very serious offence within the academic community.

**Prerequisite** – a requirement that a student must complete before registering for another course.

**Residency** – credits administered and evaluated by Briercrest College and Seminary.

# Student classification (status)

- Full-time students undergraduate students who register for 12 or more credit hours in a semester.
- Continuing students undergraduate students who are continuing their studies and register for 12 or more credit hours in a semester.
- Re-entry students (undergraduate and graduate) Students who study for a semester or more at Briercrest College and Seminary, take a semester or more off, and then return to the college.

Students who are away for less than four semesters and wish to re-enter should contact Academic Services. Students who have been away for more than four semesters must apply to re-enter through the Enrolment Services office.

- Part-time students undergraduate students who register for less than 12 credit hours in a semester.
- Auditing students students who register only to audit a course, and do not complete the course for credit.
- Visiting students Students of another post-secondary educational institution taking courses at Briercrest College toward their program at their home institution. Visiting students must complete the <u>online application form</u> and provide a letter of permission from their home institution that lists the courses they have permission to take.
- Open Studies Student (formerly Unclassified) an undergraduate student who is registered in one or more credit courses, but is not officially enrolled in a BA, AA, or certificate program.
- Headcount the number of undergraduate or graduate students registered in courses for credit.
  - On-campus headcount the number of undergraduate or graduate students registered in courses for credit on the main Briercrest campus.
  - Off-campus headcount the number of undergraduate student registered in courses for credit in the Kaléo Certificate program, Bible Certificate, AA or BA Christian Studies, partnership programs (MSU) or are taking online, DE, or modular courses and are not resident main campus students or commuter students.
  - Institutional Impact Headcount tB is the total number of students that are impacted in any way, in any of our programs, and in any of our schools. Includes on- or off-campus, credit or audit, or anything else. Maximum number of individuals who participated in our educational activities. One number for each of the three schools; unduplicated number for a combination of the schools or each individual school. The aggregate number will be unduplicated.
- Full-time equivalency (FTE) is the number of full-time students registered for credit plus the number of part-time students/full-time credit hours.

*Undergraduate formula – number of full-time students + part-time hours/12credit hours = undergraduate FTE.* 

*Graduate formula – number of full-time students + part-time hours/9 credit hours = graduate FTE.* 

- Undergraduate Retention rate annual on-campus 1702 headcount 1702 BA grads/1801 continuing student headcount. Formula averaged over the past three years is used to project the continuing student enrolment for the coming fall term.
- Degree completion rate the ratio of undergraduate students who graduate with a BA degree within six years of their start term. The ratio of graduate students who graduate with a Master's degree within ten years of their start term. In this ratio the values are compared against the values of the total headcount in the respective start terms.

EAP

ENGLISH for ACADEMIC PURPOSES

#### EAP 100/200/300 Academic Writing (0 credit hours)

These courses will progress from intermediate, advanced, to the transition stage in the pathway level and are designed for English language learners preparing for mainstream academic environments. The course will expose students to a variety of authentic writing used in an academic setting and encourage them to grow in their academic writing. The course breaks down and scaffolds the process of academic writing. This will help students plan their own essays and texts that they can be proud of. The material is designed to move toward more advanced levels of English.

#### EAP 101/201/301 Academic Reading (0 credit hours)

These courses will progress from intermediate, advanced, to the transition stage in the pathway level and are designed for English language learners preparing for mainstream academic environments. The courses will provide real-life learning that will help students become confident, fluent, and competent readers so they can achieve academic autonomy. The course materials will use authentic essays that would be found in a university environment to challenge students to work with substantive texts with a decent length and vocabulary level. The content will be delivered using a blend of teacher instruction, interactive student workbook, and online learning. The skills-based, step-by-step approach will help scaffold student learning so students can master the essentials.

# EAP 102/202 Oral Communication (0 credit hours)

The goal of these courses is to prepare students for the speaking and listening skills that are needed within the classroom. Authentic content will be delivered in the form of lectures, presentations, debates, discussions, and more. The class will provide ample opportunities to apply the skills beyond the classroom. Courses will be delivered using a blend of in-class instruction, interactive student book work, online learning management system. The step-by-step program allows students to master the fundamentals and become confident in their ability to successfully participate in academic courses taught in English with other students.

# EAP 103/203 Academic Discourse (0 credit hours)

By using a Problem-based Learning approach, students will be encouraged to use critical thinking skills to take a problem or issue that they may face in the classroom and by working together to come to a conclusion or develop a solution. This is a student-centered class where the students take the lead, and the teacher will help guide them through problem-solving to strengthen their own abilities in the classroom. The situations and problems can be from a range of in and outside of classroom experiences. The presentation of the conclusion or solution will be delivered in an academic form such as a presentation, debate, graphic organizer, journal, blog, etc.

# EAP 204 IELTS Preparation (0 credit hours)

The IELTS test is an English proficiency exam used for university entrance, and career opportunities in English speaking countries. The test assesses a learner's proficiency in the areas of listening, writing, reading, and speaking. This class will give an overview of the exam, tips for success, and plenty of practice time.

Prerequisite: 6 credit hours of History and the completion of 60 credit hours of study

# HIS 445 Philosophy of History (3 credit hours)

This seminar examines the philosophical issues raised by history and historical description, explanation, and narrative. It will consider topics such as the nature of human historical agency, whether ideas, traditions, or material conditions can be identified as causes of historical events, whether there is purpose, necessity, and meaning in history, and whether history contributes to an understanding of human nature.

Prerequisite: HIS 380 and one of PHI 100 or PHI 101

Cross-listed: PHI 445 Philosophy of History

## HIS 451 History of Christian-Muslim Relations (3 credit hours)

Increasingly, Christians in North America are encountering Muslims. A review of the ways in which Christians and Muslims have interacted in a variety of contexts in the past provides guidance for our current relationships. This course covers such topics as Christianity in the Arab world at the time of Muhammad, the initial conquest of the Christian regions of the Middle East and North Africa by Arab armies, and the Muslim treatment of Christian communities in conquered territories. It goes on to explore the Christian-Muslim encounters in medieval times—both the military clashes and the more peaceful exchanges of medieval scholars. Current relations in the context of Christian missionary efforts, the immigration of Muslims to the West, and post-colonial conflicts receive special focus.

Prerequisite: 6 credit hours of History

## HIS 460 Empire and Imperialism in World History (3 credit hours)

Instead of focusing on nations and nationalism, this course explores the role of empires and imperialism in the shaping of world history and the modern world. Beginning with the Roman Empire and early Imperial China, and proceeding to Imperial Russia and the British Empire, this course will examine major world empires chronologically and thematically, looking at the continuities and discontinuities of building and maintaining empires. In addition to imperial conquest, rule, and colonization, the diverse experiences of the conquered peoples and their resistance to and participation in empire will also be analysed.

Prerequisite: 6 credit hours of History

# HIS 469 Topics in World History (3 credit hours)

A seminar examining a specialized topic or comparative study in world history. While a significant component of this course requires a non-western focus, the precise topic will be determined by the instructor.

Prerequisite: 6 credit hours of History and the completion of 60 credit hours of study

# HIS 480 Historiography and the Craft of History (3 credit hours)

A seminar designed to introduce key analytical concepts and theories, schools of historiography, and notable historians from across the centuries. While this seminar will typically begin with an examination of ancient, medieval, and early modern schools of thought, primary attention will be focused on practitioners, theories, methods, and historical interpretations in both western and majority world contexts over the past two centuries and, in particular, since the 1960s.

Prerequisite: 60 credit hours completed in the BA Humanities program or permission of instructor

## HIS 490 History Practicum (3 credit hours)

A supervised field experience that combines both theoretical and practical approaches to a specific task related to the historical profession. Students will work closely with a faculty member in an internship involving, for example, teaching, research, public history, service in government or non-governmental organizations, or information management and/or preservation. Internships may be on- or off-site with a wide range of institutions and organizations.

Prerequisite: 60 credit hours completed in the BA Humanities program and permission of program coordinator

The course emphasizes sentence construction, basic syntax, and improved pronunciation while integrating cultural elements to deepen appreciation of Korean traditions and contemporary society.

Prerequisite: KOR 100 Korean I or demonstrated equivalency

LING	LINGUISTICS
------	-------------

#### LING 105 Introduction to TESOL (3 credit hours)

This course offers an insight into the world of Teaching English to Speakers of Other Languages (TESOL). The course is an overview of foundational theory and essential practice in the profession. This includes opportunities in the field of TESOL, language learning theory, and methodological principles. It also covers the dynamics of classroom interaction and the teaching of the four main skill areas. Although this is designed as a standalone course, it provides an introduction to the TESOL emphasis within the BA Applied Linguistics: TESOL.

#### LING 120 TESOL Practicum I (3 credit hours)

This initial practicum focuses on observation and team-teaching. Each student is placed in an existing adult ESL class taught by an experienced sponsor teacher. Students undertake a minimum of thirty hours of directed in-class observation reflecting upon the specific aspects of classroom practice they observe. In addition, students complete a minimum of two hours of guided teaching over the course of the practicum, partnering with a sponsor teacher or fellow practicum student.

Prerequisite: LING 105 Introduction to TESOL (Pre- or co-requisite: LING 221 Language Teaching Methodology)

# LING 200 Pre-Internship (non-credit)

This course provides an opportunity to engage in a cross-cultural experience in an introductory English language teaching environment. The pre-internship typically focuses on teaching conversational English to young and adolescent ESL learners in a summer language camp or school setting. The teaching mostly happens in a formal or semi-formal teaching context but these are supplemented by opportunities for less structured, out-of-classroom activities. Total teaching time will be between 20 and 65 hours, typically completed over a period of 3 to 5 weeks. A pre-internship may be repeated, for non-credit, when the cross-cultural experience is to a different country.

Prerequisite: Permission of the TESOL program coordinator

# LING 220 Linguistics: English Grammar (3 credit hours)

This course prepares students to teach English grammar to speakers of other languages. It provides a comprehensive review of the key elements of English grammar in order to enhance students' own understanding. Students also learn how to apply this understanding to the teaching of grammar in the classroom context.

Prerequisite: LING 105 Introduction to TESOL

# LING 221 Language Teaching Methodology (3 credit hours)

This course familiarizes students with the most popular methodological approaches used in TESOL today. Students learn what is meant by method and examine methodologies used in the communicative and post-communicative eras. Students are introduced to the beliefs about language and language learning that underpin the various methodologies and become acquainted with the teaching techniques that have arisen around the methodologies. The course does not promote one particular methodology, but aims to foster the notion of "principled eclecticism" in which the strengths of multiple methodologies are fit within a specific social and cultural context.

Prerequisite: LING 105 Introduction to TESOL

# LING 222 Second Language Acquisition (3 credit hours)

This course provides an overview of current research into how languages are learned. Students are exposed to key research that shapes the profession's understanding of learners and the learning process including motivation, first language transfer, and aptitude. The course seeks to provide answers to questions such as "When is the best age to learn a language?" and "To what extent do individual and learning style differences influence the language learning process?" Students are invited to connect the answers to the questions with actual TESOL practice.

Prerequisite: LING 105 Introduction to TESOL

### LING 300 Language Acquisition Theory and Practice (3 credit hours)

This course introduces students to learner-directed second language acquisition using an experiencecentered approach applicable to learning any world language. Students will be able to explore their beliefs about language learning while gaining practical experience in learner-directed second language acquisition in a small group, non-instructed setting with a native speaker of another language. This course integrates the sociocultural and cognitive dimensions of language learning and equips students to build effective language and culture learning relationships with native speakers.

#### LING 320 TESOL Practicum II (3 credit hours)

This practicum is designed to provide students with a minimum of twenty hours of supervised solo teaching. Each student is placed in an existing adult ESL class of no less than six adult learners taught by an experienced sponsor teacher. Practicum students are required to submit a student profile, needs analysis, and curriculum prior to beginning their actual teaching. All practicum students are also observed by either the sponsor teacher or the practicum supervisor. Practicum students are also required to videotape one class for inclusion in the portfolio of evidence.

Prerequisite: LING 120 TESOL Practicum I and LING 220 Linguistics: English Grammar

Pre- or co-requisite: LING 321 English Language Skills in TESOL and LING 322 Linguistics: Phonology

#### LING 321 English Language Skills in TESOL (3 credit hours)

This course focuses on the four main language skill areas of reading, writing, listening, and speaking. Each individual skill area is examined in detail, giving students an opportunity to become familiar with the psycholinguistic processes involved, for example, in reading or listening. Students also learn practical approaches to teaching each skill, including the key notion of sub-skills such as scanning or reading for "gist." Though the skills are studied in isolation, the notion of integration of skills remains a key theme throughout the course. Students apply what they learn through the creation of lessons plans and the presentation of mini-lessons.

Prerequisite: LING 221 Language Teaching Methodology

#### LING 322 Linguistics: Phonology (3 credit hours)

This course prepares students to teach the phonological and morphological systems of English to speakers of other languages. Students learn the meta-language used to describe the sound system of English, as well as the North American version of the International Phonetic Alphabet with which it is transcribed. Students also become familiar with the elements of the sound system of English which are problematic to speakers of other languages and how these limitations can be addressed in the language classroom. Particular attention is paid to strategies, techniques, and materials for the teaching of phonology.

Pre- or co-requisite: LING 220 Linguistics: English Grammar

#### LING 323 Materials Development (3 credit hours)

This course trains students to develop and create their own materials for the TESOL classroom. Starting with an analysis of a range of published and unpublished materials, students identify the elements essential to creating quality materials for language teaching. Students become acquainted with common sources of content for materials including corpora, reference works, and authentic media (text and audiovisual), as well as the software and online tools that can be used in the creation process. An opportunity for students to create and pilot their own materials is also part of the course.

Prerequisite: LING 221 Language Teaching Methodology

Pre- or co-requisite: LING 321 English Language Skills in TESOL

#### LING 420 Ethics in TESOL (3 credit hours)

This seminar consists of readings, discussions, and presentations designed to raise student awareness of current political and sociological issues within TESOL. Students have the opportunity to reflect on the implications for TESOL practice of issues such as cultural and linguistic imperialism, global English language policy, differences in educational philosophy, classroom ethics, and materials used in the classroom. Students consider appropriate, professional, and culturally-relevant responses to the issues and to their own role as English language teachers.

#### LING 427 TESOL Internship (3 credit hours)

This course is a cumulative, practical application of the training received from Briercrest College and Seminary. Experience is gained in teaching English and managing classrooms in a culture outside North America. Students learn about the internship context, prepare materials, raise funds, and learn about the culture to which they plan to go. Total teaching time is a minimum of 45 hours, typically completed over a period of 5 weeks.

Note: The BA Applied Linguistics: TESOL degree requires the completion of a degree-specific internship. All internships need to be approved in advance by the appropriate program coordinator. The internship is offered to college students who have completed 60 credit hours or more and have been accepted into the degree program.

#### LING 429 Professional Issues in TESOL (3 credit hours)

This course is designed to prepare students for their future in TESOL. It focuses on professional, employment-related issues connected with applying for a TESOL position such as identifying potential employers and rewarding work opportunities. As part of this course, students create their own résumé, prepare a portfolio of evidence, and take part in a mock interview. Students also learn about workplace-related issues including continuing professional development (CPD) and relating to other professionals.

Prerequisite: LING 320 TESOL Practicum II, or permission of the instructor

## LING 450 TESOL Post-Internship (non-credit)

This non-credit course is an opportunity for students who have completed their LING 427 TESOL internship to engage in further solo English language teaching before they graduate. The post-internship is completed over a period of four or five weeks with a total teaching time of around 45 hours dependent on the teaching context.

Prerequisite: LING 427 TESOL Internship

МАТН	MATHEMATICS
------	-------------

#### MATH 101 Introduction to Finite Mathematics (3 credit hours)

This course emphasizes problem solving and critical thinking as it introduces students to basic concepts in arithmetic, symbolic logic, number theory, set theory, elementary probability, and statistics.

#### MATH 110 Personal and Business Mathematics (3 credit hours)

This mathematics course reviews the fundamentals of algebra and financial applications. Concepts of linear systems are applied to time value equations including simple and compound interest. Geometric progressions are used to study simple and general annuities, equations of value, amortization, sinking funds, and bonds. Students are encouraged to see the relevance of mathematical concepts in their lives and in the business world and develop specific math skills that are useful in many areas of life.

## MATH 123 Calculus I (3 credit hours)

This course reviews basic algebraic concepts, trigonometry and functions and introduces limits and differential and integral calculus, max-min problems, curve sketching, and related rate problems. This course includes a weekly 1.5 hour laboratory component.

Prerequisite: Students should have achieved a grade of 63 per cent or higher in Mathematics A30, B30 and C30; or Pre-Calculus 30, or equivalent.

## MATH 124 Calculus II (3 credit hours)

This course builds on the foundation of differential calculus from Calculus I. Topics covered include integration of inverse trigonometric, exponential, hyperbolic and logarithmic functions, with applications; techniques of integration; applications to work, pressure, moments and centroids; polar co-ordinates, parametric equations of plane curves, and complex numbers. This course includes a weekly 1.5 hour laboratory component.

Prerequisite: MATH 123 Calculus I

MDN	MANDARIN

# MDN 100 Mandarin Chinese I (3 credit hours)

This course introduces students to Mandarin Chinese, the language with the largest number of speakers in the world. This course will employ a comprehension-led approach to language learning in which students will first learn to understand concrete "here and now" language and then learn how to draw upon the language they can understand to express their own ideas using their own words. Students will learn the phonetic writing system for Mandarin called Pinyin. Students' growing familiarity with Mandarin Chinese will be complemented by learning about Chinese culture.

# MDN 101 Mandarin Chinese II (3 credit hours)

This course is designed to enable beginning-level Chinese students to increase their ability to comprehend and produce spoken Mandarin. This course will employ a comprehension-led approach to language learning in which students will first learn to understand concrete "here and now" language and then learn how to draw upon the language they can understand to express their own ideas using their own words. In addition to using Pinyin to read and write Chinese, students will also learn to recognize about 150-175 simplified Chinese characters. Students' growing familiarity with Mandarin Chinese will be complemented by learning about Chinese culture.

Prerequisite: MDN 100 Mandarin Chinese I

MUS MUSIC
-----------

## MUS 098 Piano Proficiency (non-credit)

Piano Proficiency is a requirement and will include scales, chords, prepared pieces of music, and one piece for sight reading. This requirement is pass/fail.

Note: This requirement must be completed before the student begins their second year of study in the BA Sacred Music program. The successful completion of this requirement is necessary for acceptance into a Performance concentration.

# MUS 110 Introduction to Musicianship (3 credit hours)

This course introduces students to the basics of the language of music. The focus of instruction is foundational study in comprehension of written music and identification of aural musical components (major/minor chords, etc.). This course prepares students for MUS 115 Musicianship I. Students may be exempt from Introduction to Musicianship by writing a <u>theory placement exam</u> and scoring a passing grade.

Note: May be taken as a free elective credit towards the AA or BA Sacred Music degrees

### MUS 115 Musicianship I (3 credit hours)

This course continues to build a broader vocabulary of music theory by studying triadic harmony of the Common Practice Period. Topics covered include, but are not limited to, ear training, two-part dictation, cadences, four-part voice leading, open and closed voicing, figured bass practices, and harmonization.

Prerequisite: MUS 110 Introduction to Musicianship or passing grade on the theory placement exam

#### MUS 116 Musicianship II (3 credit hours)

This course continues to investigate the logical progressions of the Common Practice Period. Topics covered include, but are not limited to, ear training, four-part dictation, secondary triads, ornaments, tonicization and modulation, four-part harmonization, and analysis.

Prerequisite: MUS 115 Musicianship I

#### MUS 121; 122; 221; 222; 321; 322; 421; 422 Private Lessons—Instrument (1 credit hour)

We offer lessons in guitar, violin, and a variety of other instruments as instructors are available. Ten lessons are offered each semester. For information on cost, please visit the <u>2016-2017 Tuition and Fees</u> page. To apply for lessons, please contact the Music/Worship Arts office (<u>worship.arts@briercrest.ca</u>). Practice rooms are available on a rental basis for those taking Private Lessons. Students may receive credit for private lessons—we do not charge tuition beyond the regular lesson fee for one-hour credits. All students taking Private Lessons for credit receive a grade for each semester of study.

#### MUS 130 Basic Voice (2 credit hours)

Basic vocal techniques are studied in a small class setting. Students gain an understanding of the physical function of the voice and gain confidence in singing. Public speaking techniques are also addressed. This is an introductory course to vocal technique.

#### MUS 131; 132; 231; 232; 331; 332; 431; 432 Private Lessons—Voice (1 credit hour)

We offer lessons in voice as instructors are available. Ten lessons are offered each semester. For information on cost, please visit the <u>2016-2017 Tuition and Fees</u> page. To apply for lessons, please contact the Music/Worship Arts office (<u>worship.arts@briercrest.ca</u>). Practice rooms are available on a rental basis for those taking Private Lessons. Students may receive credit for applied lessons—we do not charge tuition beyond the regular lesson fee for one-hour credits. All students taking Private Lessons for credit receive a grade for each semester of study.

#### MUS 140 Basic Piano (2 credit hours)

This course consists of a group approach to the study of the fundamentals of piano playing. The class is designed for those who have little or no piano background.

#### MUS 141, 142, 241, 242, 341, 342, 441, 442 Private Lessons—Piano (1 credit hour)

We offer lessons in piano as instructors are available. Ten lessons are offered each semester. For information on cost, please visit the <u>2016-2017 Tuition and Fees page</u>. To apply for lessons, please contact the Music/Worship Arts office (<u>worship.arts@briercrest.ca</u>). Practice rooms are available on a rental basis for those taking Private Lessons. Students may receive credit for Private Lessons—we do not charge tuition beyond the regular lesson fee for one-hour credits. All students taking Private Lessons for credit receive a grade for each semester of study.

The following organized ensembles are offered for credit:

#### MUS 151, 152, 251, 252, 351, 352, 451, 452 Ensemble—Worship Team (1 credit hour)

Prerequisite: Entrance to this ensemble is by audition.

#### MUS 161, 162, 261, 262, 361, 362, 461, 462 Ensemble—College Singers (1 credit hour)

Prerequisite: Entrance to this ensemble is by audition.

#### MUS 171, 172, 271, 272, 371, 372, 471, 472 Ensemble—Resonant (1 credit hour)

Prerequisite: Entrance to this ensemble is by audition, interview and consent of the instructor

#### MUS 181, 182, 281, 282, 381, 382, 481, 482 Ensemble—Orchestra (1 credit hour)

#### SMALL ENSEMBLES

Students may have the opportunity to be involved in worship teams or small performing ensembles in a variety of settings.

#### Worship Teams

Students may have the opportunity to be involved in other faculty-led or student-led small vocal and/or instrumental groups (worship teams or performance teams) as singers, players, or technicians for credit. These groups are formed at the discretion of the Music/Worship Arts Department. Students may receive one credit per semester upon completion of the ensemble requirements. We expect students to commit to this ensemble for both semesters.

#### LARGE ENSEMBLES

Students have opportunities in two choirs and one instrumental group. Entrance is by audition.

#### **College Singers**

A multi-voice choir that participates regularly in choral concerts, college musicals, and local church worship services. College Singers collaborates with the orchestra and other choral ensembles. This group offers training, experience, and ministry opportunities within the context of a caring musical community. A two-semester commitment to this group is expected.

## Resonant

*Resonant* is an a cappella chamber ensemble that performs music that spans the styles of jazz, gospel, and classical both on campus and on tour. This group offers singers training, performance experience, and ministry opportunities in a challenging yet encouraging environment. A two-semester commitment to this group is required.

## Orchestra

A 20-piece group (open to college, high school students, and community members) that joins with our choirs to participate in local church worship services, choral/instrumental concerts, and college musicals. This group offers training, experience, and ministry opportunities within an instrumental musical setting. A two-semester commitment to this group is expected.

## MUS 160 Live Sound and Production (3 credit hours)

This course covers basic knowledge and skills of live sound reinforcement, including sound system components, setup, signal flow, mixing, and signal processing. Related topics such as stage lighting, stage management, professional etiquette, and the philosophy of sound are also explored as time allows.

## MUS 203 Recording Arts I (3 credit hours)

This course introduces students to the art and science of audio recording through a hands-on look at the basic elements of recording techniques, including studio procedures, microphone techniques, tracking, editing, mixing, and mastering. There is an emphasis on critical listening and analysis, as well as discussion of music and musical form.

Cross-listed: COMM 203 Recording Arts I

Prerequisite: THEO 301 Worship in the Christian Tradition

#### WA 437 Worship Arts Internship (3 credit hours)

This internship is intended to help prepare students to be well-grounded in areas specific to their degree emphasis and future vocational/lay direction. This internship provides a practical, supervised experience in the tasks, attitudes, and skills of leadership and ministry as it pertains to the worship arts.

Prerequisite: THEO 301 Worship in the Christian Tradition

#### WA 440 Worship Ministry Internship (6 credit hours)

An extended internship under the direction of a church or parachurch mentor designed to provide practical experience and guidance in the tasks, attitudes, and skills necessary for Christian ministry. The student may choose a ministry venue that best first with his/her primary degree focus. All internships need to be approved in advance by the appropriate program coordinator. The internship is offered to college students who have completed 60 credit hours or more and have been accepted into the degree program.

Prerequisite: The completion of 60 credit hours of study, approval by program coordinator, and acceptance into the BA Worship Arts program.

WMST	WOMEN'S STUDIES

#### WMST 378 Women and Vocation (3 credit hours)

This course provides a critical examination of women and vocation from the Ancient Near Eastern world to the present. Central to this investigation will be a consideration of how a shared repertoire of historical context, narrative framework, and communal discourse affect the negotiation of vocational identity.

Prerequisite: 6 credit hours of Biblical Studies

Cross-listed: BLST 378 Women and Vocation

#### WMST 393 Specialized Study (3 credit hours)

Offered occasionally to provide in-depth study in a topic in Women's Studies that is not covered in regularly scheduled courses.

Prerequisite: 6 credit hours of Christian Ministry

YΜ
